

The Superintendent would take this opportunity to thank the Teachers and Officers for their kindness to him in the assistance rendered in the past year and would ask a continuance of the same throughout the coming year, and may our endeavor be to make it one of more earnest prayer for the School and for the outpouring of the Holy Spirit upon the children under our care and also to remember in our prayers the pupil committed to us at Point Aux Tremble's School.

On behalf of the Teachers and Officers,

Sincerely Yours,

NATHANIEL STEEN,
Superintendent.
