A copy of "Triumphat Democracy" should be placed in every school library in the United States.

We hope it may be read abroad, and we hope it may be read at home.

Very interesting and instructive, and very flattering to our vanity.

Mr. Carnegie takes the dry summaries of the census, and with a few striking illustrations turns them into wonder-tales.

Reads more like a romance than a book of naked facts. Will serve noble ends.

In many respects "Triumphat Democracy" is a book as yet unsurpassed; the theory and philosophy are admirable, and cannot fail to prove a vital and valuable suggestion and delight to every American reader.

The amount of abstract information crammed into the book is enormous, and one might read it a month and still find comparisons to make and lessons to learn.

Readable from cover to cover. It is a valuable and important contribution to the literature and history of the country.

It is not simply a panegyric, but it is full of valuable information showing why the Republic is worthy of the high position he gives to her.

A book which will be widely read, and one which no American can read without feeling his heart swell with pride as the conviction is thrust upon him that his country is great in more respects than he ever before had knowledge of.

It would be a good thing could every American read it. No more remarkable tribute to the life, vigour and excellence of our institutions has ever been evoked.

A book for the pessimist to read. The man who has the blues, that says the country is going to the dogs, that business is overdone and manufactures badly done, cannot do better than to read this book from cover to cover.

Worthy of close study and frequent reference, and all students of politics and sociology will do well to give it a careful examination.

The influence of every page is to incline the American reader to regard with reverence and affection the noble sacrifices made by our forefathers in the establishment of civil and religious liberty.

While the book is a fund of knowledge, free from the staleness of statistics, it also contains the views of a great observer expressed in the most pleasing manner.

The English critics cannot controvert it, for it is wholly founded on fact. The enthusiasm of the writer will seize every impartial reader.

Few books which have purported to describe our Republic have approached it in interest. It is an encyclopedia of American life yet it has not a prosy page.

His scathing comments on royalty and its surroundings, as contrasted with republican simplicity, will be read with interest in both countries.

One protracted blast of eulogy of the United States.

Makes a showing of which any American may justly be proud. . . . It should especially be read by those who are accustomed to fix their eyes upon the defects of American institutions and manners, while ignorantly extolling the supposed superiority of something across the sea.

CHINA HALL,

Official Programme, with Plan of Hall, will be mailed to any address by applying to the Secretary

JOHN EARLS, 14 Adelaide St. East, Toronto.

By Canon Farrar.

A few weeks ago, when CANON FARRAR was in this country, tens of thousands of people paid as much as one dollar each to hear a single lecture delivered by him, and were well pleased with what they got for their money. Several of the most important of those lectures and addresses with other papers are now published by JOHN B. ALDEN, of New York, and can now be had in a very handsome cloth-bound volume, for the price of 40 cents. Some of the lectures are also published separately in his *Elsevir Library*, in which form the lecture on Dante sells for 3 cents; on Temperance, 2 cents; on Ideals of Nations, 2 cents; Thoughts on America, 3 cents. The millions of intelligent people who admire CANON FARRAR, and who were not able to hear him lecture, will be delighted to find his brilliant, scholarly and eloquent thoughts placed in this handsome form within their reach. The publisher's illustrated catalogue, 132 pages, is sent to any address on receipt of 4 cents; or condensed catalogue free. JOHN B. ALDEN, Publisher, 393 Pearl Street, New York.

Toronto Agency, 420 Yonge St. Canada patrons will pay cost of duty in addition to advertising rates.

GRAND OPERA HOUSE.

O. B. SHEPPARD, Manager.
