

The accompanying cut is a Cooly at work on one of the . . .

## Monsoon Tea Plantations.

We plant, grow and pack all our own teas. Is it not reasonable to conclude, then, that we are in a position to supply you with better tea than the smaller dealer who buys promiscuously?

Send us ten cents for quarter pound packet and list of grocers who handle Monsoon in your town.

**The Monsoon Tea Co. Toronto.**

# THE DELINEATOR FOR SEPTEMBER.
