

Christmas Time is Music Time

Holiday harmony will be perfect—the joy of giving and receiving complete—
If Yule-tide brings a new **Heintzman & Co. Piano.**

You should be very cautious in the selection of a Piano—there are a great many Pianos offered today—some bargain pianos—some so called high priced pianos—some just as good pianos, &c., &c., but be on your guard. If you want a Piano the character of which cannot be brought into question, then choose a HEINTZMAN & CO. PIANO. Behind it stands over half a century of experience and the endorsement of the world's greatest musicians.

"It excells any piano I have ever used."—*Albani.*
