

Positively Guaranteed TO PERFECTLY SEPARATE OATS FROM WHEAT

This special Separator, Grinder and Fanning Mill (combined) is built particularly for the Canadian North-West. Try it on my binding Guarantee that it will separate Oats from Wheat and Oats from Barley faster and more perfectly than any other machine on earth.

MY experience of over forty years in building special fanning mills for every farming region on earth makes it certain that this Mill No. 2, built for your particular use, will put an end to the worst pest you Western farmers endure—wild and tame oats in wheat and barley. This is the one machine that will get those oats out easily and with positive certainty. Just test a

Screens.

CHATHAM Fanning Mill

It will not only take all the oats out of your seed-wheat and the wheat you sell, but it will grade your wheat—separate the shrunken, immature and undersized grains, which you can profitably feed your stock. It will positively add ten cents a bushel to the value of your seed-wheat and five cents a bushel to the price you get for what grain you market.

Works Easiest. Cleans Fastest. Handles a Thousand Bushels a Day

No machine for the purpose runs anywhere near as EASY as the Chatham. None other will clean, grade and separate from 500 to 1,000 bushels of grain a day, doing the work perfectly,—taking out weed seeds and all oats or faulty grain. We absolutely guarantee this mill to do all we claim it will do. Test it for yourself and you will know it outclasses any Fanning Mill on the market.

With This CHATHAM Grain Pickler

You get rid of wheat-smut. Made wholly of wood. Can't corrode, clog nor decay. Use either bluestone or formalin solution. New screw-feed easily picks 60 bu. wheat, 80 bu. oats, per hour. Can't bruise the grain. Low priced; solidly built; guaranteed. Credit, if you wish.

You Can Get One Quick

We carry an ample stock of these special oats-from-wheat machines (which are also fitted with 17 riddles and screens for cleaning and grading ANY grain, big or little) at all our warehouses. We can ship yours on shortest notice. Get our proposition now and think it over. Write us to-day.

The Chatham Fanning Mill was awarded First Prize by the Chicago, Buffalo and St. Louis World's Fairs. Send for valuable Free Book.

MANSON CAMPBELL says: "I have been building fanning mills since 1867. My mills were in the West before the C.P.R. I am a specialist in this oats-from-wheat proposition, and I KNOW this Chatham mill will do what I say it will in this advertisement."

Chatham Kitchen Cabinet, Ontario

Makes Kitchen Work Easy And Pays For Itself Too

Look at it in the Picture

Getting dinner—or any meal—takes only half as long when you have this Cabinet in your kitchen. Everything is so handy that cookery is a pleasure instead of drudgery. There's far less mess to clean up afterward—it's so easy to keep the kitchen tidy—and the cook saves so many steps. Compact, sensible, and work-saving.

Saves Room and Time

Take and try it in your kitchen,—see the work it does away with, the time it saves, the bother it puts an end to—see how sensibly planned, how excellently built, how well worth its small cost it actually is. Indeed, you will be well satisfied if you buy a Chatham Kitchen Cabinet. It is a most practical convenience.

Make Yourself a Present of One, Madam!

Let Me Ship You One Right Away

The Chatham Kitchen Cabinet will pay for itself speedily by preventing waste of foodstuffs—to say nothing of the vast deal of work it saves. After it has been a week in your kitchen you will wonder how you ever got on without it. This Cabinet actually is, and I GUARANTEE it to be, better, more compact and more labor-saving in design than any other made. It costs less. It is more complete, more convenient, built better—a great deal better. The wood-work is the finest selected Canadian chestnut, beautifully finished in rich, lustrous golden-brown. The bakeboards, drawers, flour-bin, are snow-white basswood—the shelves, hard, clean maple—knobs, handles, catches, heavy red copper—every part the best material money can buy.

Makes Kitchen Work Far Easier

The drop-leaves (they'll hold a heavy man's weight) just double the table top's area. Nothing is in the way,—nothing opens on the table's level. The whole top is polished metal,—sanitary, clean, water-proof. All the fronts of drawers, doors and bins overlap,—that makes them dust-proof, fly-proof, CLEAN. All the inside parts are finished satin-smooth,—not a crevice nor a seam to harbor dirt or insects. The flour-bin (that compartment lowest down) holds 75 pounds, has a curved solid-metal bottom, and glides in and out at a touch, on double roller ball-bearings. Every drawer shuts TIGHT, but never can stick. Every bin slides in and out EASILY. The whole Cabinet is mouse-proof.

Saves 500
Steps a
Day in any
Kitchen

The Chatham Kitchen Cabinet

saves endless bother and clutter

It's Very Practical

It couldn't be made more complete. Large enclosed closets for heavy utensils; plenty of shelves; shelf rack; two big drawers—17½ ins. wide, 5 inches deep; three small drawers; three cupboards; two big bins—self-moving; the whole thing 6 feet high, and mounted on double-acting rotary castors—easy to move around. Top is made of extra-heavy, polished zinc that will wear for years and be easy to keep clean all the while. Six aluminized canisters supplied free with Cabinet.

Fully Guaranteed

There are no out-of-the-way cubby-holes around a Chatham Kitchen Cabinet; but there IS a handy, easy-to-get-at place for everything that is used in getting a meal ready,—flour, sugar, salt, coffee, tea, spices, package food supplies, knives, spoons, kettles, bread-pans, etc., etc. Let me send you a book that illustrates and describes the Cabinet; or send me your order for it upon our special terms and with my personal guarantee that you will be wholly satisfied with it.
