

The Pleasure a Woman Takes

In the fine laundering qualities of her linens and sheets is materially increased when she uses an electric iron. No nerve-straining, back-tiring trudging to and fro between range and table in the work of changing irons. Nothing to do but simply turn the button and iron. The point is always hot—requires no waxing. Glides in and around tucks and flounces as easily as over smooth surfaces. A big day's ironing can be done in half the time and at a trifling cost of, say, 5 cents. Our special offer enables you to enjoy a 30 days' trial without charge or obligation. The iron has to sell itself or we cheerfully take it back. Phone the COMFORT NUMBER, ADEL-AIDE 404, and we'll gladly send one to your home.
