WOMENS' ATHLETIC

by Catherine Campbell

Dalhousie's Women's Athletic program is beginning a new year. For new students, an information center was set up during registration week between the Dalhousie gymnasium and the Physical Education building. This trailer was open all week with information concerning Dalhousie's women's intramurals and athletic clubs. If you require further information, drop into the gymnasium and talk to the specific coaches. They don't bite and they would love to talk to you.

The women's sports are on a two year rotation for out of the region trips, which means that the Basketball, Track and Field, Volleyball, and Curling Teams will be sponsored by the university for an out of the region trip above and beyond the league play-off's this year.

The women's teams to look for right away are the Track and Field, Cross Country, Field Hockey, Volleyball, and Tennis teams.

The women's Track and Field Team, coached by MR AL YARR and yours truly, will be defending their Atlantic Intercollegiate Championship title. All are welcome to come to the practices for the purposes of competing or shedding those summer pounds. The practices take place after school on the track, at the park, on the golf courses or on the beaches (with an occasional milkshake afterwards to boot). If anyone is interested contact Mr YARR at the gymnasium or CATHY CAMPBELL at 422-2784.

The Cross Country Team will sport two veterans and several promising high school students. Two super athletes, BARB MUISE and BARB MILLER both national calibre runners from Yarmouth, will be venturing forth in their freshman year. JANE HILLOCK and JANE BAGNELL, our veteran runners, will be tough again this year.

The Women's Field Hockey Team, under the dynamic coaching of NANCY BUZZELL the new women's athletic director, is looking stronger than ever with three quarters of last year's team back. Three members of the team have participated as members of the National Canadian Touring Team. These three members are: Judi Ride, 1971 Touring Team, Joan Selig and Katie Belmore, both on the 1974 Touring Team. The rigorous tryouts took place last week and their first game will be in Newfoundland on September 20. This league is now in two divisions, east and west, with

Dalhousie, Memorial, Acadia, St. FX, and St. Mary's in the east. The top two teams from each division meet at the home of the west division winner in the first week of November to decide the Atlantic Intercollegiate Field Hockey championship. A pro-

posal has been made for a National playoff with of course the winning Atlantic team representing this area in Vancouver, B.C. This decision will hopefully be reached in the second week of November.

VOLLEYBALL

The Volleyball and Tennis teams will be coached by LORNE SAWULA, assistant coach of the 1974 National Volleyball team. The Volleyball team will again be strong with many returning players and freshettes coming out. If you are a "natural" at sports and are trying to decide which sport to play this year, Volleyball may very well be your choice with a trip to Europe coming up at Christmas. Seriously, the team will be extremely well coached and many dedicated

rigorous hours of training will soon have you addicted to the sport. If you are interested in joining, contact LORNE at the Physical Education building. The Tennis team will be competitive with last year's provincial champ, Jane Gardiner, leading the way.

If I am guilty of neglecting any sports give me a call and we will put our heads together. The Women's sports scene is definitely making its own way. Try out, get in shape, or come and cheer them on!

Remember Murphy's Law (if anything can possibly go wrong it will) that made such a hit at the Festival of the Arts? This promises to be the department's most unorthodox group and they'll be making full use of all the recently acquired electronic equipment purchased for the department's sound studio, including the Mini-moog, Sonic Six and Arp 2600.

Music is the food of love

and you'll love the menu when you come to the Music Department's free lunch hour concerts during the school year; Tuesdays in the Music Resource Centre at the Killam Library and Thursdays in the lobby of the Arts Centre. Here's your opportunity to hear improvisational compositions from contemporary and popular music, classical solos and chamber music.
