

# Computer Crash Courses!

## It's Here!

**The moment you've been waiting for!**

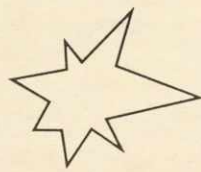

*Here's the deal:*

You come. You register with your good ol' ID. You answer questions about your computer knowledge and what you want to learn. You get stuff to learn with. You start. You have a question. You signal one of the assistants.

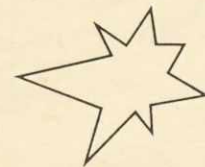

**A helper comes racing to your side!**

You ask your question. It gets answered. You understand. You continue. You finish. You check out at the registration desk.

**You pay astoundingly low prices!!**

**The Nitty-Gritty Details:**

Price: Free!! for the first 30 minutes and only \$5!! for every 30 minutes after that!  
Who can do it: any Dalhousie or Kings student with a valid student ID card!

What we'll have: 20 IBM computers and a bunch of assistants!

Software available: word processors, spreadsheets, starter sets, graphics packages, and more!

**WHEN: NOON OCT. 2 UNTIL THE VERY END OF OCT. 3 IN  
THE SUB'S GREEN ROOM. BE THERE!!**

*Sponsored by Academic Computing Services, Dalhousie University.*
