To whom it may concern:
I have been living in apartments for six years now and I must honestly say that I have never been happier. The building itself seems to be soundly constructed and the suites are about as sound proof as they come. These features are really second place to the kind of 'care' that the building and grounds receive. (i.e., replanting of trees, resodding, paving of the curbs etc.) Most importantly the caretaking staff has to be rated 'A' one. They are always friendly, helpful and prompt if repairs or other problems arise. In addition the building is clean.

Sincerely,
Bruce Gooding Bromwich,
2360 Bonner Rd., Apt. 1504.
