Ottawa. Sep 3rd 1888

Dear Mr. Tancred,

Many thanks for
your letter with reference
to the proposed purchase
of land at Fishers Point
and numbered 6079

In regard to the title
of the property I may
say that if we decide
to carry out the suggestions
in my letter of the 19th

89 acres / May last the purchase
might be proceeded
with subject to the
insurance on the
property being removed
and conditional
upon a good title being
given. I have had
a conversation with
Mr. Fraser (Misspelands
brother) on the subject
and from what I understood
I have no doubt that
a perfect title of the

Indian Affairs. (RG 10, Volume 7761, File 27058).
