520 Bay St. Toronto,
December 31, 1938.

Mr. Jules Gobeil,
Baie St. Paul,
Quebec.

Dear Mr. Gobeil:

I sincerely appreciate your letter of 30th.
I was talking to Mr. Burton, President of Simpson's about
your son just last Thursday. Also had a letter from the boy.

Contrary to the reports which our political
opponents circulate at Quebec, the citizens of Toronto are,
as a matter of truth, very friendly toward all French-
Canadians who come here, and only too anxious to help them.

You have a right to be proud of your son
and he is indeed to be praised for his ambition to master
English. He already spoke it very well when he came.

May 1939 be a splendid Year for you and
your family.

Yours sincerely,

AM/E.
