Toronto, Ontario.

Dear Mr. Meighen:

I have your letter of February the 25th and greatly appreciate your kind reference to my father, which I have also extended to my mother.

I regret that I was unable to see you while you were in Winnipeg owing to our own trouble and the fact that the Royal Commission was in session but I had the opportunity of hearing you speak to the Canadian Club and greatly enjoyed your remarks.

I have made other inquiries in Toronto in regard to the peculiar telephone conversation which I received and at the present time am of the opinion that either the man who telephoned me did not know what he was speaking of or else intended to start me off on a blind trail.

I have passed the information received from you on to Col. Sullivan and Mr. Phillips and they greatly appreciated your interest.

Yours sincerely,

E. F. Willis
