My dear Mr. Dewdney,

I am in receipt of your letter of the 15<sup>th</sup> Instant referring to the Memorandum made by me to the Superintendent General dated the 10<sup>th</sup> of January 1884 re Industrial Schools, a copy of which you state had been handed to you by Father Huguonard, and which you intimate had been your first advice in respect to the subject matter thereof, and you presume after reading it that it is the intention to admit girls into the Institutions, and asking me to advise you in the matter.
