Ottawa November 21, 1911.

Rev. Sir,-

I have to request that you will be good enough to furnish this Department with certain particulars concerning pupil No. 021, Amy Blackbird, a pupil of the Fort Alexander Boarding school. Her name did not appear on the last quarterly return from this school and if she has been discharged you will please give the date of such discharge, the reasons therefore and her present residence and occupation. In future no pupil should be discharged from your school without authority having first been granted by the Department. You will also be good enough when preparing your quarterly returns at the end of each quarter, to prepare and forward at the same time, a return made out on the form for that purpose showing all pupils admitted or discharged during the quarter.

The names of six boys and five girls, who appear on the quarterly return forwarded for the September quarter last, have not been admitted as they are ~~and~~ presumably half-breeds. Their names are John and Paul Thomas, Alphonse Simard, Alphonse Johnstone, Henry Simard, Paul Bruyer, Agnes Boulet, Angele Boulet, Annie Boulet, Josephine Bruyere and Marie Fontaine. Till these pupils are officially admitted their names should not appear on the quarterly returns in future from your school.

Your obedient servant

Rev. H. M. Brassard, O. M. I., Asst. Deputy and Secretary
Principal, Ft. Alexander, Man.
