

The fractional North half section 29 excepting that portion in the same island, all that portion of fractional section 28 East of the river and the small North-east corner of section 22 East of the river.

We propose to forward this proposition to our Agent in order that he may discuss it with the Indians and possibly make some changes. It is however considered desirable that no action be taken to alienate the lands above mentioned.

Will you kindly state whether a reservation should be made in favor of the Hudson's Bay Company on account of the store the Company has on the North-west quarter of section 22, and if so, what should be the area of the plot to be reserved.

Your obedient servant,

L. M. H. C.
Asst. Deputy and Secretary.
