

February 14th, 1918.

Dear Mr. Cockburn -

Encl.

We are planning an active campaign in Ontario for greater food production this year and with this object in view a letter has been sent to the agents whose Indians are engaged largely in agricultural pursuits. I realize that the letter as prepared would not be applicable to your agency, but I am sending you a copy for your information; Nevertheless there may be something you can do towards having your Indians help us fill the needs of our country at the present time.

I shall be glad to hear from you.

Yours very truly,

[Handwritten Signature]
Deputy Superintendent General.

Indian Agent,
Sturgeon Falls, Ont.
