ley Mr. Gardiner, Dr. A. MacG Young. M.P., Phillip Reynolds Young Liberals William Lyonard the William Lyonal danger, all referred to the Liberal danger, and referred to the party and referred to the Liberal bank developed in early Morley Toombs. Mr. Toombs sketched the story of the times in which William Lyon Mackenzic led obernment for Canada. The "family reompact" had developed and had compact" had developed and had compact, and the story was told of Mackenzie's requent election to the Legislative of the agrarian population.

The story was told of Mackenzie's t." frequent election to the Legislative assembly and equally frequent expulsion until he lost faith in peacement pulsion until he lost faith in peacement open rebellion, his forces having as been dispersed on December 7, 1837. In. The fight had continued under other leaders leading to Lord Durham's and famous report and finally the acceptance of responsible government under Lord Eighn in 1849.

"That tradition of radicalism which formed the very root and has never been forgotten," Mr. Toombs declared.
