

A GOOD CATCH.

To those delighting in fishing, the lake and bay afford excellent sport. Black bass, pickerel, perch, white fish and salmon trout are numerous and within easy reach of the park property.

### Side Trips.

Numerous excursions are run by the steamer "Otonabee" to the several points of interest on the lake and to accommodate those wishing to form a boating party to some particular spot for the day, the commodious launch "Kempenfeldt" is available at a very moderate charge.
