

Do Not Confound

our Genuine Gas Coke with the cheap cokes claimed to be just as good or better. All of them are imitations or substitutes and inferior in every respect.

They are usually made from slack or other unsaleable coal, and are the product of a forty-eight hour oven.

Our coke is four-hour coke, and consequently far more powerful, efficient and economical.

The Terms

are cash with order or on delivery, and all orders should be given at the office.
