

# THE PROBLEM

of deciding upon a school for your boy or girl for the coming year will be easily solved when you have in hand a copy of the Current Announcement of the

## CENTRAL BUSINESS COLLEGE

TORONTO, - CANADA

This Announcement contains full particulars about the methods and work of a school which employs a regular staff of twenty teachers in the main school, and which conducts two well-equipped branches—one in the central part of the city at 653-655 College St., the other in the West End at 1758 Dundas St.

The courses of training given are unequalled for thoroughness, the equipment is extensive and complete, and the School stands well in the opinion of all the business firms of the city.

It is widely patronized from the Atlantic to the Pacific and from the South American States and West Indies. Students are admitted any school day in the year. The Announcement is mailed on request addressed to
