SELLS' UNEQUALLED CIDER MILL.

THIS MILL has taken the First Prize at each Canadian Exhibition where exhibited. It took a Diploma at the New-York State Fair. Thousands of these Mills are now in use throughout Canada and the States and are giving satisfaction.

You have plenty of apples this year, and you can make the Mill pay for itself in one week if you are in a good section of country for the purpose.

The Mill first cuts and then crushes the apples perfectly fine, making a saving of more than one-eighth of the cider over any other Mill. It never clogs, owing to its novel discharge, and is very substantial.

We furnish the Mill and Press complete with two curbs, for \$30; or Double Mill on the same principle for \$35, at our Factory. Both are equally well adapted for hand or other power.

Farmers send in your orders early—stating your Portion Station, and Post Office Address. All orders will receive prompt attention, if sent in early.
