" Not Alone."

We have somewhere read an incident of the

they 3

pains one was with him, whose gracious presence cheered and supported him under his compileated afflictions. What a triumph of Christian faith is here presented to our notice! How different the feelings of the man similarly afflicted. Yet destitute of an abiding interest in Christ! He would be truly "alone," without help or successful the cour, or comfort from God, though in the cour, or comfort from God, though in the court of the court from God, though in the court of the court o

The testimony of this poor but pious man, to his enjoyment of the presence of God amid his receiving and doing good, and so honouring God deepest sufferings, is calculated to inspire and laying up treasure in heaven, strengthen the christian grace of patience in the firsh cording to His will. One of the hardest lessons to learn is, under severe pains, to say from the heart, "Thy will be done." But when we see

experience of all who suffer. Then every murmuring thought shall be gone, and lamb-like pa tience arm their breasts.

FRIDAY, January 28.

The Standing Committees, as reported vester-

ever, we have now reduced the debt to £90. In moved for a Committee.

Mr. Henry presented a petition from James Thompson, Esq., stating that he had collected

Mr. L. M. Wilkins said This is a moderate step

Mr. A. G. Archibald rose to introduce a bill to

authorise equitable proceedings in cases of actions Mr. Henry concurred in the necessity for this

The bill was referred to a Special Committee consisting of Messrs. Johnston, Archibald, Henry Smith, and McLellan.

Mr. M. I. Wilkins rose to remark to the hon. had been returned that our revenues must be mortgaged to the full amount. If such a clause were to be introduced in the Bill, it ought to be there now-else it could not be fairly debated .-If the Bill were sent home in its present shape it would be fruitless and we would be put to the

expense of an extra session. Hon. Provincial Secretary explained. That the Bill provided for the "payment of any previously existing liability and of the Civil List.' and he would merely say that he believed it had been omitted by too closely following the Canada The House went into Committee on the Municopy, which had been handed to him by Mr. Baring himself.

> Hon Previncial Secretary rose to lay on the table of the House, by command, a voluminous series of correspondence which had passed between the Imperial and Colonial Government on the subject of the Fisheries. Mr. Marshall said there was no reason why the reply of the Home Government to the ad-

Hon. Provincial Secretary replied that so cautious were the Home Government on the matter, that they had sent no answer.

BANKRUPT BILL Mr. Martin I. Wilkins rose to introduce a Billto provide for the relief of Bankrupts. It provided that where a man felt himself embarrassed

Hon. Provincial Secretary said such a law was very necessary, for now there was no security

Mr. Marshall said there was only one clause which ought to be added to the hill-that was one to enable the Province to take the benefit of

Mr. Wilkins replied that the Bill regulated all expenses, which were settled in itself. The only objection he apprehended might arise to country insolvent and in the settlement of estates, would be taken out of their hands and decided by arbitration

Penitentiary.—McLeod, Mosher, Bourneuff. The Bill was read a first time

TUI EGRAPH AFFAIRS AGAIN. Mr. Marshall rose to present a petition from James Stewart, Esq., Vice President of the Nova Scotia Electric Telegraph Company. Mr. Killam moved that it be referred to a select
