HON. DIRECTORS:  
FOR NOVA SCOTIA, P.E.I., AND  
NEWFOUNDLAND.

HON. S. L. SHANNON, Halifax.  
HON. JAMES YEO, M.P.E., Port Hill, P. E.  
Island.

WM. H. WELLS, Esq., (Brown & Wells),  
Halifax.  
ANGUS McMILLAN, Esq., Summerside,  
P. E. Island.

JAIR'S HART, Esq., Halifax.  
WM. CROWE, Esq., Halifax.

The history of the ONTARIO  
MUTUAL LIFE has been from the  
beginning of the Company up to the  
present time, a record of success, alike  
creditable to its founders, its board of  
directors, its officers, its agents, and a  
discerning public.

Success begets Success. The  
growth of the Company has been rapid,  
healthy and constant, showing in each  
year since its establishment—

(in membership;  
(in premium receipts;  
(in interest received;  
(in assurance in force;  
(in gross income;  
(in new business;  
(in surplus for distributing; and  
(in ready convertible cash as-  
sets.)

## A GAIN

The object of all connected with its af-  
fairs has been to make it one of the best,  
the most substantial, and enduring Com-  
panies of its kind. That success has so far  
attended their efforts, the present admittedly  
high financial standing of the Company  
abundantly proves. Its income has advanced  
from \$9,668.89 in 1870, to \$100,182.60 in  
1883, and its assets from \$2,216.00 to \$333,  
705.00. The number of Policies issued for  
the first four months of 1883 was 312, for a  
total amount of \$423,100. And for the  
same period in 1884—Policies issued 503,  
for a total amount of \$732,350, being a gain  
of 181 Policies and \$309,150 !!! in  
amount. These facts speak for them-  
selves and should induce all intending insur-  
ers to pause and weigh well the record and  
result of this Popular Company before  
coming to a final decision.

The thirty-four death and endowments  
claims maturing in 1883, were paid upon an  
average of one-fourth of a day from the  
completion of the claim papers and there  
did not stand on the books of the Company  
at the close of that year, any claim disputed  
or contested.

Promptitude in settling claims as well  
as Equity and Liberality mark the whole  
history of the ONTARIO MUTUAL LIFE.  
Ministers will do well to apply to the  
undersigned for special information before  
placing their risks in other Companies.

## STOP AND THINK

Before you buy all the extensively advertised  
pianos of the day which have made no  
genue names, and have failed to commend  
them to the public, but have passed from the  
seller, who instead of insouciantly turning an  
article of worth, which would cost money,  
give to agents immense profits to ensure  
their sale, and the sick who have been in-  
duced to try them, only find out when too  
late that they are really no better, and often  
worse than before using them, then in the  
meantime the proprietors have

## CAREFULLY

Laid away a fortune, and in a short time  
very none ceases to be seen or heard.

Gates' Lot of Man Bitters may be relied  
on as a medicine of great merit, and has  
made some of the most remarkable cures ever  
known, and has never been introduced into  
any locality where it has not given evidence  
of great value to the suffering sick. Hun-  
dreds of cures have been made in the pro-  
vince with this medicine in connection with  
the Investigating Syrup, and hundreds of  
certificates from good citizens, and the  
clergy, many of which are under oath, can  
not fail to convince the most skeptical of  
their great curative properties.

## DON'T BE DECEIVED

Use the medicines that has been tested for  
over forty years, and will certainly cure you,  
So positive are we of their power to cure,  
that we offer a reward of \$100 for a case  
they will not cure or help, and \$1000 for a  
false statement made by us of any certifi-  
cate of cure this medicine has not accomplish-  
ed. Sold everywhere at 50 cts. per bottle. 12  
bottles for \$5.00. Manufactured by D. Gates  
South Middleton, N.S.

Entire iron frame, to which the  
strings are directly attached by  
metal fastenings, securing

1. Best quality of tone, which is very  
musical and refined; free from the tubiness  
which is common.

liability to get out of order; adaptation to  
trying positions and climates.

3. Increased capacity to stand in tun  
will not require tuning one-quarter as often  
as pianos on the old system.

Having tested this new system of con-  
struction for two years and proved its advan-  
tages, this Company are now increasing their  
manufacture of pianos, and offer them to the  
public generally. Every piano of their make  
will illustrate that supreme excellence which  
has always characterized their ORGANS,  
and won for them highest re-ard at every  
great world's exhibition for sixteen years.
