MINT ... PUFF-STRAPS ECOGNIZING the great popularity of peppermint with the sweets-loving public, we are the first to introduce to the trade Pliable Licorice containing this flavor.

The delicious quality of our Pliable Licorice is well known; it is matchless in this respect as well as in its flavor and finish.

Our Triple Tunnel Tubes and Navy Plugs are great favorites also, and are made of the same material, although flavored differently.

We recommend all these goods as suitable for Summer Trade; they will please the most exacting taste as wholesome, smooth and palatable confections.
