Perseverance Always Wins

Perseverance built the Pyramids and scaled the Alps. It has tunnelled our mountains, bridged our rivers, covered the world with a network of railroads and steamship lines. Perseverance always wins—No matter where we look we read this lesson.

Perseverance is also enabling hundreds of our Agents to earn a good salary and win many splendid prizes.

The opportunity is now at its height. One Agent last week earned as much as \$8.00 in straight commission. We will make it worth your while, too, if you write at once to the Circulation Manager
