

All Point the Way to Success

Name over the farmers you know that own good Fanning Mills. Aren't they the prosperous (progressive) men in your neighborhood? Aren't they the men who are making a success of farming? Haven't they good bank accounts? Don't you think they are able to point the way to success?

THE IMPROVED NEW SUPERIOR

Is the BEST of ALL Good Fanning Mills. Ask any of your neighbors who own one. Find out if we tell what is so when we say that the New Superior is the best built machine. The most thorough in its separation of any kind of grain, and is the King of Wild Oat Separators. Why don't you follow the way these men have taken, and enjoy the same measure of prosperity?

We want to send you our booklet on our IMPROVED Machine: OUR 1910 MODEL. We have improved our mill, increasing the capacity fully 25 per cent. Our New Wood adjustment makes it so you can separate by weight, which is the proper system you want in grading your seed oats. We have lots of other things we want to tell you about, which is in your interest. Write now! Be sure and see the Improved New Superior before buying any Fanning Mill and then judge for yourself.

We would also like to send you our book, Smut Facts, which treats on the different ways of purifying your wheat from the smut germ.

THE HARMER IMPLEMENT CO.
132 PRINCESS ST. WINNIPEG, MAN.

More Bread to the Barrel

That extra cost per barrel which you pay for

Ogilvie's Royal Household

doesn't go into anybody's pocket.

It covers the cost of inspecting the entire wheat crop of the country, and selecting the choicest grain.

It pays, for cleanliness, for purity and for scientific flour-making.

A barrel of Ogilvie's Royal Household Flour goes farther than a barrel of any other flour. It makes more bread and better bread.

You are not really spending that extra amount—you are investing it.

Go to your grocer and say "Royal Household."

Ogilvie Flour Mills Co., Limited.

This Fence Stands Every Test

Hard drawn steel running wires and "The Tie That Binds", give a strength that resists every strain.

Heavy galvanizing protects against rust. Patent Posts are made of No. 12 gauge steel, bent at right angle, to give the maximum strength at reasonable cost. No staples required to put fence on posts—we've attended to that.

STANDARD WOVEN WIRE FENCE

Is fully explained in detail in our book. Write for free copy and sample lock.

The Standard Wire Fence Co. of Woodstock Limited, Woodstock, Ont. & Brandon, Man.

Seymour Hotel

Farmers from the Three Provinces make it their headquarters when visiting the city. Every street car passes the City Hall, which is only a stone's throw from the hotel entrance.
