Whooping Cough, Croup, Bronchitis
Cough, Grip, Asthma, Diphtheria
Cresolene is a boon to Asthmatics

Does it not seem more effective to breathe in a remedy to cure disease of the breathing organs than to take the remedy into the stomach? It cures because the air rendered strongly antiseptic is carried over the diseased surface with every breath, giving prolonged and constant treatment. It is invaluable to mothers with small children.

Those of a consumptive tendency find immediate relief from cough, or inflamed conditions of the throat.

IN MEMORIAM.

MYRNA.

Daughter of Mr. and Mrs. W. Miller Underhill who died September 18th 1906. Aged 3 yrs. 3 months, 21 days.

BY MICHAEL WHELAN.
"Suffer the little children to come unto Me, and forbid them not for of such is the Kingdom of Heaven."—OUR DIVINE LORD JESUS.

Beautiful Myrna, angel child All innocent, sweetness, heavenly, mild. Now in the heavens, beyond the stars, Where all are happy, where no grief wars The blessed joy of the truly blest, Forever and ever and ever at rest.

Sad, O sad are her parents hearts, For one sweet joy with their child departs But still they know she is happy there, Where all is perfect and pure, and fair, Wearing forever the glorious crown God gives to children. And looking down On the kind true hearts she has left behind Their angel Myrna will bear them in mind.

And looking up to the God of Love Who reigns supreme in His home above, Will surely ask him to guard and bless The parents and brothers whose fond cares.

To this angel daughter and sister was given Whose place today is at home in Heaven—Renous River, North Co. N. B. Sept. 1906

A Discovery of Great Value.

Because a Cure was Found for Inflammatory Rheumatism.

There are many types of rheumatism, but none worse than inflammatory.

It was the kind that almost killed Mrs. Edw. Warman, of Kent Jct. N. B.

Every known remedy she tried, different doctors gave their advice, but the disease increased.

Weak and despairing, she was at her wits' end when the remarkable cure of Thos. Cullen was published.

This gentleman was cured of rheumatism by "Ferrozone". Consequently Mrs. Warman used the same remedy. Here is her statement:

"For years I have been rheumatic. I tried various forms of relief without success. The disease increased, settled in my joints and muscles; these swelled, caused excruciating pain and kept me from sleeping. My limbs and arms stiffed, my shoulders were lame and prevented me from working. Week by week I was losing strength and despaired of finding a cure. It was a happy day I heard of Ferrozone. Every day I took Ferrozone I felt better; it eased the painful joints, gave me energy and a feeling of new life. Ferrozone cured my rheumatism, cured it so that not an ache has ever returned. Even damp weather no longer affects me."

Ferrozone has power to destroy Uric Acid, neutralize and enrich the blood, and therefore cures the worst cases. Mrs. Warman, is statement proves this.

By removing the cause of the disease and rebuilding up a reserve of energy Ferrozone is certain to cure Sufferer, isn't it about time to stop experimenting? Ferrozone is a cure! We guarantee this. Sold by all dealers, 50c. per box or six boxes for \$2.50. Remember the name—"Ferrozone."

"So you are the gentleman who run. Hints to the Home Gardener said the fair caller in the newspaper office. "Do you obtain your material from experiments in your own garden?"

"Oh I haven't any garden," replied the sorrow young man with the pen behind his ear. "I live in a flat."

"You don't say. Well perhaps the gentleman who writes Hints on Renting Flats could give me some good advice from his experience in apartment houses?"

"Oh, he doesn't live in apartment house. He lives in the country."

"Did you tell your father I was a humorist?" asked the tall young man with long hair.

"I did," replied the pretty girl, "and he laughed."

"Laughed? Why, I thought he used to say writing jokes was hard on the brain."

"So he did; but he says he never heard of you writing any jokes."

SYNOPSIS OF CANADIAN NORTH-WEST.

Homestead Regulations.

Any even numbered section of Dominion Lands in Manitoba, Saskatchewan and Alberta, excepting 8 and 26, not reserved, may be homesteaded by any person who is the sole head of a family, or any male over 18 years of age, to the extent of one-quarter section of 160 acres more or less.

Entry must be made personally at the local land office for the district in which the land is situated.

The homesteader is required to perform the conditions connected therewith under one of the following plans:

(1.) At least six months' residence upon and cultivation of the land in each year for three years.

(2.) If the father (or mother, if the father is deceased) of the homesteader resides upon a farm in the vicinity of the land entered for the requirements as to residence may be satisfied by such person, residing with the father or mother.

(3.) If the settler has his permanent residence upon farming land owned by him in the vicinity of his homestead, the requirements as to residence may be satisfied by residence upon the said land.

Six months' notice in writing should be given to the Commissioner of Dominion Lands at Ottawa of intention to apply for patent.
