Rev. E. Hopper will preach at Dawson Settlement next Sunday at 10 a. m. This village was this week treated to a shower of rain containing about fifteen drops but notwithstanding and nevertheless the drought still continues.

That lady at the lecture the other day who only knew how nicely Hall's Hair Remover would remove dandruff and improve the hair she would buy a bottle.

IMPORTANT NOTICE.—All persons indebted to this office are requested to make immediate payment to the

OBSERVER, PUBL. CO. Hillsboro, A. C.

BAIRD'S Balsam of Horchard promptly relieves and cures obstinate coughs, croup, hoarseness, and all affections of the throat and lungs. It gives immediate relief.

BASE BALL.—Owing to the absence of their pitcher the Albert Club was unable to play the return match with Hillsboro last Saturday. They have made arrangements to come next Saturday when an interesting game is anticipated.

Any child will take McLean's Vegetable Worm Syrup; it is not only exceedingly pleasant but is a sure remedy for all kinds of these pests. Look out for imitations. Get McLean's, the original and only genuine.

We have a speedy and positive Cure for Catarh, Diphtheria, Canker Mouth, and Head Ache, in SHILOH'S CATARRH REMEDY. A Nasal Injector free with each bottle. Use it if you desire health and sweet breath. Price 50 cents. Sold by J. A. BEATTY.

A PERFECT complexion, free from pimples or blotches, is very rarely seen, because few people have perfectly pure blood. And yet, all disagreeing eruptions are easily removed by the use of Ayer's Sarsaparilla. Try it, and surprise your friends with the result.

VALUABLE MEDICINES.—D. H. Perkins of St. John was in town last Monday and found ready sales for his English cough mixture, which is considered an excellent remedy for whooping cough, etc. Mr. Perkins is also the manufacturer of valuable Indian medicines, his Indian herb ointment being highly recommended for erysipelas and eczema, having effected some marvellous cures.

Few children can be induced to take physic without a struggle, and no wonder—most drugs are extremely nauseating. Ayer's Pills, on the contrary, being sugar coated, are eagerly swallowed by the little ones, and are, therefore, the favorite family medicine.

PAINFUL ACCIDENT.—The many friends, in the County, of Mrs. Prudence Stevens will regret to learn that she met with a painful accident last Monday. When retiring to rest at the house of her son, H. T. Stevens Esq., editor of the Moncton Times, she tripped and fell breaking some bones in her hips. At latest accounts she was suffering a good deal but was more comfortable than at first.

DYSPHEASIA AND LIVER COMPLAINT.—Is it not worth the small price of 75 cents to free yourself of every symptom of these distressing complaints, if you think so call at our store and get a bottle of Shiloh's Vitalizer. Every bottle has guaranteed guarantee on it, use according to directions, and if it does you no good it will cost you nothing. Sold by J. A. BEATTY.

A FEAT IN DENTAL SURGERY.—A correspondent writes: A rather unusual yet very successful operation in dental surgery was performed on Mr. John T. Ryan of Mr. Christian Stevens of Hillsboro, by Dr. B. A. Marvin, a physician of that place. Mr. Stevens had had one of his front teeth nicely filed by a dentist of this town, but it continued to ache after it had been filed. After enduring the aching for a week or longer, Dr. Marvin extracted the offending member, scraped off the inflamed nerve from its root and replaced the tooth in its original socket to the entire satisfaction of Mr. Stevens, who now says he has a good feeling, a painless tooth and a useful tooth to show all inquiring friends.—Moncton Times.

OH, WHAT A COUGH.—Will you heed the warning. The signal breathers of the sure approach of that terrible disease, Consumption. A K yourself if you can afford for the sake of saving 50 cents, to run the risk and do nothing for it. We know from experience that Shiloh's Cure will Cure your Cough. It never fails. This explains why more than a Million Bottles were sold the past year. It relieves Croup and Whooping Cough at once. Mothers do not be without it. For Lane Back, Side or Chest, use Shiloh's Porous Plaster. Sold by J. A. BEATTY.

ADVICE TO MOTHERS.—Are you distressed at night and broken of rest by a sick child suffering and crying for relief from colic? If so, send at once for a bottle of Dr. W. W. Drake's Colic Remedy. It will relieve the poor little sufferer in minutes. Depend upon it, mothers, there is no medicine so good as this. It cures colic, wind, flatulency, and all the troubles of the stomach and bowels, cures wind colic, colic, indigestion, and all the troubles of the stomach and bowels, cures wind colic, colic, indigestion, and all the troubles of the stomach and bowels.

AN INTERESTING LOCAL LAW SUIT.—The case of Edward Stevens, plaintiff, and Capt. Avar H. Kinnis, defendant, which occupied the court of commission on Monday last, is of some importance to the farmers of the county. It was an action brought by the plaintiff for damages done to growing crops by defendant's oxen breaking into and destroying the same. The defence was that the oxen was not surrounded by a lawful fence as required by Section 16, chapter 110, consolidated statutes. The plaintiff claimed (first) that the fence was a lawful one, and (second) as against breeder's cattle he was not compelled to maintain a lawful fence, as per Section 12 of by-laws, of Municipality of Albert.

The jury found a verdict for the defendant of "no cause of action." J. H. Dickson for plaintiff, A. W. Bray for defendant.

REPAIRS TO MONCTON BRIDGE.—The Municipal government is undertaking a necessary work in calling for the receipts of tenders on August 27 for extensive repairs on the Moncton bridge (so called) across the Petitcodiac river. The repairs include the complete rebuilding of the short way on the Albert side, of rebuilding the short spans with entirely new piers, also of a construction of a new draw, besides general repairs on an extensive scale to the longer spans.—Transcript.

NEW HOTEL.—Mr. R. Slater, who now occupies the "Manfield House," is preparing to accommodate travellers. The house has been thoroughly renovated and furnished with suitable furniture and now presents a clean and cozy appearance.

Mr. Slater intends to spare no pains or expense in making his house worthy of patronage. He will in a short time run teams to all trains and to Grey's Island to connect with Steamer Arbutus. The hotel, the name of which we have not yet learned, is to be opened to the travelling public on Saturday next.

PRESENTATION.—On Wednesday evening last a number of young folk, belonging to the Baptist Sunday School of this place, met at the residence of their teacher, Miss Laura King, where they enjoyed themselves to the full by the encouraging music, playing games, partaking of ice cream, etc., etc.

During the absence they visited several far distant points and a short time ago were shipwrecked while on their passage from Australia to Hong Kong. The Captain leaves in a few days for New York where he takes charge of a fine new ship owned by the company in whose employ he has been for some years. His wife will join him in New York when the ship is ready for sea, her thrilling experience not having rendered her afraid to brave the dangers of the mighty deep with the man of her choice.

HOME AGAIN.—Capt. Edgett and wife returned to Hillsboro last Monday after an absence of about 14 months. ACCIDENT.—Last Tuesday while Miss Jane Duffy of Hillsboro and two boys were out driving the breeding brood causing the horse to run away. He dashed down Pound Hill at the top of his speed and, in going round the sharp turn at the foot of the hill, the carriage was upset and the occupants thrown to the ground. Strays to say the boys escaped injury but Miss Duffy was not so fortunate. Her head and face were severely cut and her back injured. F. C. Miles who witnessed the runaway hastened to the scene and conveyed Miss Duffy to her home. She was unable to leave her bed on Wednesday, but it is hoped her injuries will not prove very serious and that she will speedily recover. How all escaped as they did is a marvel.

IMPROVEMENTS.—By a liberal use of paint, artistically distributed on fences, outbuildings and dwelling houses, by Capt. Alfred Wood, an experienced painter, Malcolm Somers Esq., has greatly improved the appearance of his residence on Academy street. Mr. Mackoy and others on the same street have also improved their dwellings in a similar way, while the Salvation Army have not neglected their "Barracks."

Mr. R. L. Blake is having a veranda erected around two sides of his residence on Main street which will greatly improve the appearance of his place.

Other improvements (too numerous to mention) to buildings and grounds have added greatly to the appearance of our fair village which must continue to rank as one of the most beautiful county villages to be found in New Brunswick.

CONCERT AT HARVEY.—The concert given in the Baptist Church on Saturday evening last passed off successfully. Mr. E. H. Robinson occupied the chair and announced the following programme.

Brown; Singing—The Banner of the Cross—Choir; Solo and Chorus—Always take mother's advice—Children; Recitation—Kate Shelly—Mrs. Brown; Solo—Water Course—Miss Edna Wen; Reading—The Lover's errand—Miss A. Casey; Singing—Be not deceived—Choir; Recitation—An Angel in a Child—Miss A. Brewer;

Solo—The Old Sexton—Rev. J. W. Brown; Solo and Chorus—In gathering round look out for thorns—Children; Reading—The faithful man—E. H. Robinson; Singing—Gospel Call—Choir; Recitation—Simple Tim—G. Bishop; Solo—God bless our Home—Mrs. L. F. West; Recitation—Prayer and Potatoes—Mrs. Brown;

Duet—Bath and Naomi—Misses Cooman; Singing—Handwriting on the wall—Choir.

NIGHT-BLOOMING CEREBUS.—On two occasions lately, through the kindness of Miss Emma Wallace, a number of persons in this village were permitted to witness a rare sight—the unfolding of the flowers of a night blooming cerebus. The flowers began to unfold about 4 p. m., attaining perfection a little before midnight. They then began gradually to close and before noon the next day their "glory had departed."

The sight was certainly beautifully impressive and well worth seeing. To the buds begin to thrill with life, gradually unfold, reach perfection and slowly fade away from sight within a few short hours, was calculated to remind one that "this life is but a fleeting show" in which we all do "fade as a leaf." We can get nothing that could more fittingly represent purity than these spotlessly white flowers, the leaves of which with their deep, plainly marked veins greatly resemble feathers. However we will not attempt a description of these rare flowers which must be seen to be appreciated.

It is said that only one other of these remarkable plants is to be found in Albert County.

Salisbury Notes.

The Methodist and Baptists held their annual Sunday School picnic yesterday on Mr. Thos. interval. The day was fine, the attendance large, and all appeared supremely happy.

Our merchants are getting in their autumn supply of dry goods, and in gentlemen's overcoats and refers are prepared to rival any of our city stores in quality and cheapness.

McLaughlin and Sons are doing more than usual in the tanning business and are prepared to give good satisfaction to buyers.

Mr. Edgett is rushed in the barroom trade, and is deservng of large patronage. Call and examine his splendid work.

The Methodist Financial District Meeting and Sunday School Convention met here Wednesday next at 6.30 o'clock.

The farmers are nearly through with their haymaking. The oat and wheat crop is very much damaged by rust.

Elgin Notes.

The firm of Messrs. C. & S. Goggin have been making some important changes in their steam mill here. The machinery for the manufacture of turpentine is being removed from the second to the ground flat. In the second story they intend to put in first rate machinery for grinding wheat, buckwheat, and corn. They think they can import the corn and put a better article on the market quite as cheaply as the Western product. Mr. Charles H. Goggin is superintending the moving and re-erecting of the old machinery and putting in the new.

The haying season is quite over. The crop in this Parish was scarcely up to the average. The grain crops however look excellent and the prospects are that "Ceres" will, this fall, yield the husbandman abundant returns for the labor so faithfully given her earlier in the season. She has already handed over to the Reaper some well ripened fields of finely decorated oats and buckwheat.

A lecture, calculated to do much good, on the subject "A holiday in Hell" was given in the Baptist Church here to a large audience on Saturday evening by W. O. Burham A. B. The subject, although seemingly of a sensational nature was handled in such a way as to entertain and please the most staid and cultivated minds. Your correspondent would advise the readers of the OBSERVER not to miss the opportunity if they have a chance to hear this lecture. Mr. Burham preached here again morning and evening last Sabbath. His discourses were received with much favor. He expects to return to Media, Penn., about the first of Sept., where he has been engaged in teaching, to resume his calling. The contest in the Spelling Society at Pleasant Vale for which Dr. Weldon has deposited five dollars for prize in the hands of the President will take place on Saturday the 24th inst. An equitable measure of competition is being worked out by those who have the matter in hand.

Moncton's Big Show.

The Monctonians are at work in earnest preparing for the exhibition to be held there next month. Leut. Gov. Tilly is expected to deliver the opening address. The government has promised to give the \$1000 agricultural Society grant in tended for the Moncton and Covertville societies. The gov. has also promised to exhibit all their best bred horses, cattle and sheep, and to have their annual sale of stock in Moncton during exhibition week. The I. C. B. will also grant excursion rates from St. John, Truro and Campbellton. The exhibition prize list has been increased over 50 per cent, and upwards of \$1100 is to be given for horses and cattle. All the committees are working hard and no doubt the exhibition will prove to be an A 1 affair.

Hop Farm in Gloucester Co., N. B.

A correspondent of the St. John Sun gives the following particulars of a hop farm lately started near Bathurst, by a wealthy Englishman named Harrison who is also a professor of mathematics in an Ontario College: Work was only begun on this venture about a year ago and about 60 acres planted. The vines are thriving finely and give promise of a fine crop of most beautiful hops, worth about half the yield expected in coming seasons. The very finest plants have been selected for this enterprise from a hop farm in Ontario and a practical Ontario hop farmer is in charge. To a stranger this hop farm is very profitable in the present season, ranging from 16 to 20 per cent in height, covered with its mossy green vines loaded with flowers soon to form hop cones, both interesting and pleasing. Drying houses, presses and all the necessary appliances for raising and curing hops have been placed on the premises and the acreage is well looked after, so that an enterprising owner being most sanguine that his venture will be a success, pecuniary and otherwise. One point in the raising of hops is that after the vines have been stripped they are cut off at about three feet from the bottom, the ground being placed in a good position for the best and most profitable use. Hop raising is said to be profitable, and Sussex has large quantities of land admirably adapted for hop raising.

Home for Indians.

In Manitoba.—The Civilizing Efforts of Rev. E. P. Wilson.

The Washakada and Kasota Homes, situated on the U. P. R. track at Elkford, Manitoba, have just been opened. The proceedings took the form of a public meeting in the schoolroom, presided over by the Lord Bishop of Rupert's Land. There were also present Rev. E. P. Wilson and Rev. Messrs. Sargent, Quinney, Roy and Stevenson. The children, carrying pretty banners, filled the schoolroom. The Bishop spoke of the need of evangelizing, civilizing and socially training the Indian race now that they had lost their old mode of subsisting by hunting. His Lordship was followed by Rev. Mr. Wilson, the founder, who gave some of his experiences in the Shingwanak and Washakada Homes at Saint Sue. He desired to see a similar work carried on in the North-west, and in response to an appeal Mr. Roosevelt, of Elkford, had asked him to accept that place for the new homes. The Dominion Government had granted \$5,000 for buildings and \$4,000 for equipment, with a certain amount per head for the those instructed. The name of Washakada (good to Indians) was the name the Indians had given him, and he had given it to the home. Mr. Forget, Assistant Commissioner of Indian Affairs, Superintendent Mackenzie, Dr. Rolston, Mr. Cushing and Rev. Mr. Quinney then made short addresses, and the children sang "Old Hundred" in the Dakota language, one playing the organ. Lunch was afterwards partaken of, and the children took a stroll on the farm.

The new school consists of three blocks of buildings, the central containing the superintendent's quarters and office, with large school room above. On each side are the schools, one for girls and the other for boys, as named above. The buildings are handsome and comfortable, making a break in the adjoining line of rolling prairie adorning with poplar bluffs and hay on it will be converted into a farm. Accommodation is provided for forty boys and forty girls, the pupils already number twenty-two. The new school, which will be situated at Medicine Hat, will be commenced next month.

Consumption Cured.

An old physician, retired from practice, having had placed in his hands by an East India missionary the following formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh Asthma and all throat and Lung Affections, also a positive and radical Cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellow men. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using sent by mail, by addressing with stamp naming this paper, W. A. Norris, 149 Popper's Block, Rochester, N. Y.

"Used Up,"

"Tired Out," "No Energy," and similar expressions, whenever heard, indicate a lack of vital force, which, if not remedied in time, may lead to complete physical and nervous prostration. Ayer's Sarsaparilla is the best medicine to invigorate the blood, build up tissues, and make the weak strong.

"For nearly three months I was confined to the house. One of the most celebrated physicians of Philadelphia failed to discover the cause of my trouble or afford relief. I continued in a bad way until about a month ago when I began to take Ayer's Sarsaparilla. It acted like a charm. I have gained flesh and strength and feel ever so much better. Small continues until the Sarsaparilla is completely cured."

"I find Ayer's Sarsaparilla to be an admirable remedy for the cure of blood diseases. I prescribe it, and it does the work every time."—E. L. Palmer, M. D., Manhattan, Kansas.

Be sure and ask for Ayer's Sarsaparilla.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. Price 50c; six bottles, \$5. Worth \$5 a bottle.

Short and Long Courtships.

Daisy Dandelson, Essex, is perplexed over the question of short and long courtships, and wants our advice. Well, Daisy, it is hard to make a rule to fit every case, but in general we will say that long courtships are not advisable. Many women, pale, baggard, and wasted from long continued "sterile" ailments, are forced to banish all thoughts of marriage. Such unfortunate sufferers should know that Dr. Pierce's Favorite Prescription is a positive cure for the most complicated and obstinate cases of leucorrhoea, excessive flowing, painful menstruation, unnatural suppression, prolapsus, or falling of the womb, weak back, "tumal" weakness, "antiversion," "retroversion," "leaning-down" excruciating, chronic gonorrhoea, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with "intercal heat."

For all derangement of the liver, stomach and bowels, take Dr. Pierce's Pellets.

A Quaker Printer's Proverbs.

Never send an article for publication without giving thy name, for thy name often secures publication of a worthless article.

Never inquire of the editor the news; for behold it is his business to give it to thee at the appointed time without asking for it.

It is not right that thou shouldst ask him who is the author of an article, for it is his duty to keep such things unto himself.

When thou dost cut his office take heed to thyself that thou dost not look at what may concern thee not, for that is in the sight of good breeding.

Neither examine the proof sheet for it is not ready to meet thee eye, that thou mayst understand.

Prefer thy own town paper to any other, and if thou hast not already done so, subscribe for it immediately.

Pay for it in advance and it shall be well for thee and thine.

SPECIAL ANNOUNCEMENT.

We have made arrangements with Dr. B. J. Kendall Co., publishers of "A Treatise on the Horse and his Diseases" which will enable all our subscribers to obtain a copy of that valuable work free by sending their address (enclosing a two-cent stamp for mailing same) to Dr. B. J. KENDALL CO., EXETERVILLE FALLS, VT. This book is now recognized as standard authority upon all diseases of the horse, as its phenomenal sale attests, over four million copies having been sold in the past ten years, a sale never before reached by any publication in the same period of time. We feel confident that our patrons will appreciate the work, and be glad to avail themselves of this opportunity of obtaining a valuable book.

It is necessary that you mention this paper in sending for the "Treatise." This offer will remain open for only a short time.
