German Delegates Plead For Control of the Kiel Canal

SPEAKER DECLARES HE IS A BOLSHEVIK AND AN I. W. W.

Mr. Hugh Swindley Makes Announcement During an Address Before the I. L. P. -- "Open Forum" to be Carried on By the Labor Party of St. Catharines-- Swayzie Scores Educational System.

A large audience gathered at a business meeting in the I.L.P. Hall last night to listen to Mr. Joseph T. Marks, of Toronto, who was to deliver an address, and when the chairman, Mr. F. Greenlaw, called the meeting to order and told them Mr. Marks had not arrived, disappointment could be read on the faces of those present.

Mr. Chas. Swayzie, the nominee of the Welland County I.L.P. for the Provincial House, was present, and was invited to speak. Mr. Swayzie explained that he came to the city to attend the open forum. He had been told that the Socialists were holding meetings in the theatre and that a question was to come up which was of interest to him.

ANOTHER ATTEMPT MADE AGAINST CLEMENCEAU

Paris, May 5.--Another attempt against Premier Clemenceau apparently was frustrated by the arrest of a nineteen-year-old youth who was seized near the entrance of M. Clemenceau's home. The youth, whose name is Cornillon, was carrying a stiletto and had in his possession anarchist literature. He declared that he did not want to kill the premier, but desired only to make a "gesture."

Cornillon was acquainted with Emile Cottin, who recently shot M. Clemenceau. He met Cottin in some of the studios in Paris. Cornillon hails from Venay.

NO MEN OUT HERE

Local Packing House Employees to Remain at Work but Supply of Meat is Exhausted in Some Places.

When asked at noon today if the strike of the packing house employees in Toronto would affect any men in this city, the assistant manager of the local branch of the Swift Canadian Company said that as far as the men employed at the branch here were concerned, they would remain at work as long as there was anything for them to do, but that the supply of beef on hand has been exhausted and there is no chance of getting any more from Toronto.

DEATH OF G. A. McLEAN

The citizens of St. Catharines were shocked this morning when a word was received that George Allison McLean, one of the most successful merchants in this city, had passed away at the family residence, 98 James Street. Deceased was in the best of health up until a few weeks ago when he was attacked with a stroke of paralysis, and although every kindness was shown and best of medical attention given, he passed peacefully to his reward.

THE WEATHER

Toronto, May 5th.--The disturbance which on Saturday was approaching the Great Lakes from the west has passed eastward to the Lower St. Lawrence valley having caused heavy rain in Ontario and Quebec. The weather continues unseasonably cool in all provinces.

ADVERTISE IN THE JOURNAL

THE FIGHTING BOYS FROM OVERSEAS GIVEN WARM GREETING IN "OLD LUNNON"

LONDON, May 5.--Residents of the West End of London turned out in force Saturday to welcome 11,000 overseas troops, who marched through the main streets and were reviewed by King George at Buckingham Palace. Canada, Australia, New Zealand, South Africa and Newfoundland were represented among the troops. Every arm of the overseas armies was represented in the parade, while famous Canadian airmen flew overhead.

ORANGEMEN GIVE A JEWEL TO BRO. NELSON

Retiring County Master Honored at Meeting Held in Thorold on Saturday Night.

The Welland County Loyal Orange Lodge held a very successful meeting on Saturday night, which was largely attended by guests from out of town as well as a large number of local members. After the regular routine of business was transacted, the following address was read to the Worshipful Brother, Albert Nelson.

W. DIMOND, W. M., L. O. L. No. 204

Worshipful Brother Albert Nelson, Past County Master, Welland County. Dear Sir and Brother: It is the desire of the Officers and Brethren of this County Lodge to express to you their warmest feelings of gratitude on the occasion of passing from the County Master's Chair. We do not hesitate in recalling the noble and efficient manner in which you conducted the business of this County Lodge, during your term of office consisting of three years.

WILL BE FELT HERE

That the strike in Toronto will have a serious effect on this city was predicted by a representative of the Swift Company, who told a Journal reporter that a large percentage of the fresh meat consumed in St. Catharines is shipped here from the Toronto packing houses, and beef, pork, eggs and butter will be at a premium before the end of the week unless the grievances of the employees are settled and the strike called off.

WANT CONTROL OF KIEL CANAL

London, May 5.--Renter's Limited learns from reliable sources that among the terms of the treaty to which the Germans will offer the most objection is that relating to the surrender of her colonies. They will urge that German East Africa, Togoland and Kamerun be left to her, and, upon refusal, will ask to be assigned some part in the future administration of the former German colonies, and that, in any case, Germany shall not be debarred from purchasing some Portuguese colonies at a future date, should Portugal be willing to sell.

WANT SAAR TO RETURN

The German delegates will also ask that the Saar area shall revert to Germany after a term of years. They will oppose any proposal to deprive them of sovereignty over the Kiel Canal, while agreeing that it shall be free to the world's commerce. Two large auto trucks passed through the city yesterday and attracted attention from the fact that the motive power is attached to the front axles, thus making a push instead of a pull.

EMPLOYEES OF THE PACKING HOUSES ARE OUT

Five Thousand Men Went on Strike in Toronto This Morning and Wholesale Meat Business is Virtually Tied up.

MACHINISTS OF THIS CITY WILL STRIKE

Voted Yesterday in Favor of a Walk-Out and Sanction for Such a Step has Been Asked for.

As predicted in Saturday's Journal, a general walk-out by the machinists of St. Catharines is now almost certain to take place before the end of the week, and Thursday afternoon may be the time set for the cessation of work by the men.

TO MEET AGAIN

It is expected that a reply will have been received from New York by Wednesday, and another meeting of the Union has been called for that night, when the reply from the parent body will be presented.

OFF TO OTTAWA

The machinists employed on the canal jobs have submitted their schedule to the bosses, and a satisfactory agreement is expected to be reached.

ANNIVERSARY SERVICES AT KNOX CHURCH

Two Inspiring Sermons Preached by Col. the Rev. Wm. Beattie, D.D., C.M.G. -- Special Music was a Feature Both Morning and Evening.

THE MUSIC

The music, led by a choir of forty voices was a notable feature of the services. The morning anthems were the "Te Deum" and "Seek Ye the Lord." In the evening the choir sang "I waited for the Lord" and "By Babylon's Wave." Mr. Llewellyn sang "The Son of God Goes Forth to War" and the last hymn "Lord of the Land Beneath Whose Bending Skies" to the tune of O Canada was followed by the Hallelujah Chorus, the congregation remaining standing. Both services concluded with the hearty and devout singing of the National Anthem.

WAS SECOND BEST AIRMAN

Canada's Famous "Ace" Shaded by Major Mannock the Noted British Flyer in the War Record Championship.

WAS SECOND BEST AIRMAN

London, May 5.--The Air Ministry has decided that so far, as can be ascertained the champion British airman of the war was the late Major Mannock. Lieutenant-Colonel William A. Bishop, the Canadian aviator, who won the Victoria Cross, comes next. Major Mannock brought down 73 enemy machines, and Lieutenant Colonel Bishop 72.

OF ALL THE ALLIES

Lieutenant Rene Fonck, the French ace, holds the record with 75. The late Baron Richtofen, of German circus fame, claimed to hold the world's record for the number of machines he had destroyed, but the Germans worked on a different system of inspecting official confirmation of each victory, and his record has not been confirmed.

MAJOR MANNOCK

Major Mannock was born in India of British parents thirty years ago, and was considered the greatest aerial tactician in the Royal Air Force produced. Among his awards was the War Medal of the Aero Club of America. He was finally shot down by fire from the ground.

VIENNA, MAY 5

It is stated in allied circles that the commanders of the Czech, Serbian and Rumanian troops have decided not to occupy Budapest, limiting their operations merely to an encirclement of the Hungarian Capital.

DEMAND PROMPT SURRENDER

Berlin, May 5.--It is learned here that the Soviet Government at Budapest has been in communication with the French Mission at Vienna, from which it has received conditions demanding the immediate capitulation of the Soviets and the surrender of all arms and ammunition and that Budapest be occupied by a Democratic administration. The Soviet envoy replied that he was empowered to accept all these conditions, but his counter-proposal that the personal safety of the members of the Government and their families be guaranteed was rejected. Exodus From Budapest. Budapest, May 5.--Any hour may see a change in the Ministry from Soviet to Social Democratic in order to save the city from occupation by the advancing Czechs, Rumanians and Serbo-French troops directed, it is stated, by Gen. Berthold.

THE CITY IS QUIET

There is a feeling of panic lest the "Reds" engage in massacres of the bourgeoisie before the allies reach the city, and entire families are fleeing. The last train for Austria, which now is the only frontier open, left Wednesday afternoon crowded to the utmost with men, women and children standing in all the cars, and reached Kamorn at seven o'clock. Immediately after the departure of the train, Czechs crossed the Danube and cut off the possibility of any more trains leaving.

COPENHAGEN, MAY 5

The official news agency at Budapest reports a speech by Bela Kun, Hungarian Soviet Foreign Minister, at a meeting of the Central Council of Workers and Soldiers, in which he admitted that the Hungarian troops were fleeing and that Szolnok probably was already in Rumanian hands.

THE MINISTER SAID HE BELIEVED THE ENEMY WOULD BE ABLE TO CRUSH BOLSHEVISM FOR A VERY SHORT TIME ONLY

and added: "Our front is not in Budapest, but on the Theiss. We have sufficient food and arms to fight the Rumanian hordes, and a possibility of securing for Soviet Hungary a respectable peace." He concluded by urging every man capable of bearing arms to enlist.

WANT SAAR TO RETURN

The German delegates will also ask that the Saar area shall revert to Germany after a term of years. They will oppose any proposal to deprive them of sovereignty over the Kiel Canal, while agreeing that it shall be free to the world's commerce. Two large auto trucks passed through the city yesterday and attracted attention from the fact that the motive power is attached to the front axles, thus making a push instead of a pull.

THE DOUBLE BATCH OF MAIL MATTER

which included that of Sunday which came to the Post Office this morning returned and will reside here in future. Ralph Dent of Woodstock was at work Friday, took ill that night with the spinal meningitis and died in twenty four hours later.
