He presented six charges in all that day, first offences in each case. He spent some will be something more than newspaper time at the various stations between this city and Woodstock, both on the eastern and western side of the river.

John O'Neill vs. Hugh Edgar for keeping liquor for sale was the first of the Scott act cases called on Friday. J. W. McCready appeared for the prosecution and Wesley | will come to trial shortly. Vanwart for defence.

William Bragdon (spy-detective) was also called in this trial and said: Knew Edgar George E. Jones of Upper Greenwich, (pointed him out) had visited Edgar's place friends of both applicants to try to secure K. C., died on the 18th, after a long sick- on the 27th of February, asked for Edgar and the spring will be late for farming,

who is a candidate for the consulsh St. John, New Brunswick, is in Rockland, having about completed a most active and successful canvass in Knox county. His petition bears several hundred names. A Moncton despatch to the Halifax

Chronicle mentions a rumor that the government have obtained new and important evidence bearing upon the case of Mrs. H. T. Stevens, who is to be tried in the Westmorland county court in June next, for manslaughter.

Over 200 head of cattle, shipped by James Egas and other cattle shippers, of Montreal, passed through Moncton on Friday morning for Halifax, where they will be shipped to Liverpool. Some 200 more followed on Saturday. These were of large size; one weighing 2,100 lbs., and another 3.000 lbs

While sergeant Marsh, of "A" battery, Kingston, Ont., was loading a gun for the night signal after having fired the noon gun, on Thursday April 27, without swabbing it, it discharged, blowing both his hands off and inflicting other injuries, which proved fatal this afternoon. He was a Crimean veteran.

The Richibucto Review says a large number of Acadians from Buctouche and vicinity are daily leaving for the United. States. The greater number intend seeking employment in the manufacturing cities of the New England states. Some of the southern sections of the county are becoming almost depopulated.

The graveyard insurance case is set for thusiastic representation from every lo- ing out the lumber at a good rate for the above named hotel on the fourth of the present session of the St. John county March last and had had a drink of brandy, court. Rev. Sydney Welton will be called that on the same day and place he bought on his recognizances, but as he is said to and paid for a bottle of brandy. The bottle have left the province it is not likely he will respond. Whether he does so or not it is understood the trial of the other defendants will be proceeded with.

Up to a late hour Friday night there had been no recurrence of rioting in Belfast between the Orangemen and Catholics. Several clergymen and others addressed the Queen's Island workingmen during dinner hour. They urged the men not to take part in any disturbance, pointing out with whom she lived, was away from Miss Jessie Hooper when he would learn to them that their cause would be ruined

> A meeting of citizens favorable to the views recently expressed by Dalton McCarthy on the Manitoba and Northwest school and language questions and on tariff reform, was held at Toronto on Tuesday night. This resolution was caraccount of the presence of legislators from ried unanimously: "That we proceed to form ourselves into an association to support the principles enunciated by Dalton McCarthy, M. P., in speeches in parliament and elsewhere."

> A dozen prominent tradesmen and their wives are under arrest in Jelisawetrad government of Chersson, Russia, for an unprecedented offence against the Russian marriage laws and morality. While sum was given to her as payment for his at a wine supper recently the twelve men agreed to exchange wives on the following day if the agreement was executed with Centreville road and been kept for two days the consent of the women. Within ten days several of the newly made couples were in a state of domestic warfare, and five of the women insisted that the agreement should be declared off and that each woman should return to her former husband. Several of the men and women refused to resume the old arrangement and eventually the five discontented women appealed to the courts. The case
