1870 First Tea 1895 Jubilee Tea

THE MAMMOTH Jubilee Tea TO BE HELD AT Morell Station, about three minutes walk from the charming Morell River with its curious floating bridge.

Wednesday, 26th June, 1895, will be the crowning social event of the season. Proceeds in aid of St. Joseph's Church, Morell.

Morell has long been the favorite sporting ground for seekers of health and rest, and the lovers of the rod and gun. The scenic attractions of the place are so well and widely known that it seems unnecessary to comment upon them here. Suffice it to say that if the last week of June—the most delightful week of the year—the nature of the weather will have attained their culminating point. These are considerations that should command the Mammoth Jubilee Tea to all who desire a day of real pleasure and recreation after the hard work of spring.

The preparations for the Tea are on an elaborate scale. The Committees in charge are putting forth all their efforts to make the Mammoth Jubilee Tea the most enjoyable of the kind heretofore held in the Province. Already the impression is abroad—and it is true one who wishes to attend the first, the largest and the best Tea of the season, must not miss the "Mammoth." Thousands of people are expected from all over the country; but ample preparations will be made for all. There will be several Tea tables groaning under the weight of the rarest delicacies of the season. Smoking Dinner tables, to which sea and stream, forest and field contribute their choicest spoils. Well stocked refreshment Saloons, Ice Cream and Strawberry Socials, Banquet Centers, commodious Dancing Booths, Revolving Swings and other attractions too numerous to mention. A well organized vigilance committee will be on the ground to preserve good order. In a word, everything will be provided to make the day what it should be—one of pleasure and recreation. An excellent Brass Band will come by special train from Charlottetown. In addition to the Band there will be a pipe to entertain the sons of the Heather. Should the day prove unfavorable the Tea party will be continued on the next day. Trains will be run on Standard time as follows:

A special passenger train will leave Charlottetown at 7.50 a. m. (standard) returning will leave Morell at 4 p. m. (standard) to run on the following time schedule: Leave Charlottetown.....7.50 a. m. " Royalty Junction.....8.07 a. m. " Bedford.....8.40 a. m. " Mount Stewart.....9.07 a. m. Arrive Morell.....9.40 a. m. Leave Morell for return.....4.00 p. m.

Return tickets at the undermentioned rates will be available by regular trains from all points east of Charlottetown by the following routes: Charlottetown to Bedford and return, 35c; Charlottetown and Brackley Point, 25c; York, 15c.

Should the day prove unfavorable, the Tea will be held on the first fine day following.
