LEGISLATIVE ASSEMBLY.

QUEBEC, October 19. Montmorency Election
Last night, after the reporter left the
House heard evidence in the case of MrCauchon against Mr. Lefrance. The further hearing of the case was postponed
until the 9th of November.

Desjurdin's Canal:
The Bill to authorize the Town of Dun-

to grant its security to the Great stern Railroad Company, on behalf of the Desjardin's Canal Company, for certain improvements on the said Canal, was read

the third time.

On motion of Mr. Hincks, a committee into of inquiry was appointed to inquire into the decrepancy between the dates of the order in council and the date of Mr Young's letter, with respect to the reduction

red pine timber.

Mr. Morin introduced a bill to render effectual certain proceedings under the act intituled "An act to provide for the indem-nification of parties in Lower Canada, whose properties were destroyed during the Rebellion in 1837-8."

The House went into committee of the whole on the resolution for making the Legislative Council.

The House went into committee of the whole on the resolution for making the Legislative Councils elective.

Sir A M'Nab opposed the principle of the resolutions.

Mr. Sanborn is speaking in favor of the principle of election and opposing the resolution for membership, as proposed in the resolutions,—when the report leaves.

In the Legislative Council, last night resolutions of the hon. McKay, for making that body elective, were withdrawn with—

QUEBEC, Oct. 20th. Quence, Oct. 2016.
Last night after the reporter left the
House continued on committee of the
Whole until its adjournment on the Legis-lative Council Resolution.
Mesers. Street and Brown spoke against

the elective principle. Mr. Hincks sup-perted the resolutions. Massra Laurin Merritt, Rose, and MacKenzie supported the principle of election, but opposed the details of the resolution, especially the proposed qualification for membership.—the committee obtained leave to eit again on Friday next.
To-day Mr. Ridout moved an address

reciprocity. Mr. Hincks said there was no correspondence of the kind mentioned not any that could be made public without de-

any that could be made public without triment to the public service.

Mr. Boulton inquired of the Ministry whether the present Commissioner of Crown Lands who had seccepted office after the removel of the seat of government to Quebec, has received the sum ment to Quebec, has received the sum of Cartier contended that the Holton of Cartier contended the Cartier ance to Other Heads of departments who red to Quebec from Toronto and under what authority such payment was made. Mr. Hincks said he had received

refunded and that none would be, except with the sanction of the House. Mr. Boulton withdrew his motion. Mr. Hincks stated in answer to Mr.

Sicotte, that it is the intention of the Government to move for the concurrence of the Legislature to the bill relating to the Seigniorall Tenure introduced by

Mr. Brown movad the following reso

measured for the members of the Marker of the was cheered as the boat started.

ABSTRACT—UPPER

cage was received from the Legislative Council agreeing to the following Bills without amendment:—To amend an act to incorporate the St. Lawrence and Atlantic Railway; and an act for the Rollef of the s by the late fire at Montreal.

Sufferers by the late fire at Montreal Grand Trunk Railwey:

After a debate of five hours, the order of the day for the house going into Committee on the But is incorporate the Grand Trunk Railway Company, and on the 4th report of the Stanning Committee on the Railroads postponed till Monday.

Mr. Hincas pressed the gring into Committee invadarly and convert the amendately and convert the amendat

mittee immediately, and opposed the amend that it was important to heve the que decided before Mr. Jackson left the co-

which Mr. Hincks said he was obliged to do on Monday next.

No vote was taken either upon the motion of going into committee or the amend ment for postponing, as, upon the poin of order being raised Mr. Speaker de ided

QUEBEC October 22nd, 1852. Last wight after the reporter left the Bill for the incorporation of Electric Tele-egraph Companies was read a third On motion of a third reading of this Bill

Mr. Hincks rose and said that in consequence of the postponement of the Trunk Reitread Bill he had received that day, for the first, time an intimation that it was the intention of Mr. Jackson to leave the The House went into committee of the whole on the resolution for making the Legislative Councils elective.

Sir A M'Nab opposed the principle of the resolutions.

Mr. Morin spoke in reply to Sir Alman. prepared to leave the Government if the could not carry the Bill but was now entirely relieved from the responsibility thereon. The cheering on this announcethereon. The cheering on this announcement being made was tremendous. The importor General went on to say that the Government would not press the measure as a Government, and he would merely considerable into of the distribution of the farmers in Upper Canada, could sympathy for their suffering fellow-creations of the distribution of the farmers in Upper Canada, could sympathy for their suffering fellow-creations of the distribution of the farmers in Upper Canada, could sympathy for their suffering fellow-creations. The following is the testimony of the farmers—there was not a single dissentant of the following is the testimony of the farmers of the men who are meet interested in the men who are meet intere ine himself to support it as a private

and Galt Company was a mere sham.

Mr. Brown considered the position of
ministers as an extraordinary and humiliating one. He accused ministers of incon-

consequence of the order in Council made on or about the 14th Sept. last.

Mr. Hincks said no such funds had been Mr. Boulton's bill to prohibit truck pay-

s going on as the Reporter leaves.

Toodsy Mr. Dubord moved an address to do carrote warried 103999

his Excellency for a detailed statement of the charges incurred upon Miscellanies in service of the Government since 1851 to this date.

Mr. Hinggs, in reply, declared he would never condescend to give information.

The motion did not find a seconder and the matter dropt.

Mr. Leblane introduced a bill to amend the act for elementary Instruction in Lower Canada.

Mr. Boulton moved an address to his Excellency for copies of cerrespondence on the subject of local improvements and relative to the reduction of Crown Lands in the County of Huron; and also for the statement relative to the fund formed for roses or other purposes, by the appropriating 4s 6d per acre on the Crown Lands bill, and the county of Huron; and also for the statement relative to the fund formed for roses or other purposes, by the appropriating 4s 6d per acre on the Crown Lands bills, and the county of Huron; and also for the statement relative to the fund formed for roses or other purposes, by the appropriating 4s 6d per acre on the Crown Lands bills, and the county of Huron; and sleep for the statement relative to the fund formed for roses or other purposes, by the appropriating 4s 6d per acre on the Crown Lands bills, and the county of Huron; and also for the statement relative to the fund formed for roses or other purposes, by the appropriating 4s 6d per acre on the Crown Lands bills, and the county of Huron; and also for the statement relative to the fund formed for roses or other purposes, by the appropriation of the county of Huron; and also for the statement relative to the fund formed for roses or other purposes, by the appropriation of the county of Huron; and the county of Huron; and also for the statement relative to the fund for the statement relative to the fund for the county of the reside or other purposes, by the appropriating 4s 6d per acre on the Grown Lands
The debate was going on when the

Order of the Country of th The Grain Crops in Lower Canada are

all taken in the Minot and not in the bush el, excepting the Townships. Beef and Pork are very incorrectly given in both parts of the Province.

The Fish in Lower Canada is exclusive of the Gaspe and Bonaventure Fisheries, of which there is a separate Report.

W. C. CROFTON,

Sec'y Board of Registration

BUREAU OF AGRICULTURE. Last night the second reading of Mr. Cameron's bill to provide for the establishment of a Bureau of Agriculture, came off. men who are most interested in the matne himself to support it as a private ter, and who are most interested in the hon. gentleman with opposing this bill crew of the unfortunate ship Mobile, wreck-requirements of that portion of the merely because it emanated from the ed on the 29th ult., off Arklow Banks, beg Mr. Macdonald (Kingaton) expressed his surprise at the announcement of Mr. Hincks," in so solemn a tone that Mr. Jackson was gone home, and he could not conceie how they relieved the ministry from responsibility.

Mr. Robinson appreciated the tone in which Mr. Macdonald had alluded to Mr. Jackson who had comb into the country on the faith of a solemn engagement with the Go vernment.

Mr. Robinson appreciated the tone in Which Mr. Macdonald had alluded to Mr. Jackson who had comb into the country on the faith of a solemn engagement with the Go vernment.

Mr. Macdonald (Kingaton) expressed requirements of that portion of the horse unanimous in their superior merely because it emanated from the ministry, and chollonged them to produce a single tangible reason why it should not certainly below what we should have expected, as we had been led to understand the several members had come down to the House, brim full of reasons, and early certainly below what we should have expected, as we had been led to understand that several members had come down to the House, brim full of reasons, and early

certainly below what we should have expected, as we had been led to understand amount to be paid to local Agricultural taking us off the wreck, but also supplied us with food, clothing and warmth, until we the House, brim full of reasons, and early

£10. Ab, said Mr. Street, that shows the them with suitable clothing and board. that the agriculturists of Upper Canada force, township associations are obliged to American consul, who posted at once from the tothis country to build a railroad and come to this country to build a railroad and tender them assistance.—They were opposed to the Bureau, that the president for the sountry to build a railroad and tender their obligations for all the tender for the work and if successful, put agriculture was ample for the requirement new bill proposed to reduce that deposit the trovernment one expense.

Sir Allan McNab was anything but asof the people, and that any other arrange ment would certainly prove abortive .- ship boards to become incorporated with These reasons, if based on anyting more the general board. The argument, that than mere assertion, must have had great the farmers of Upper Canada were opposed weight with the House, but our roaders to the establishment of the Bureau baving will perhaps be astonished to learn that been completely set aside by the state the proof aduced in support of the state. ment of Mr. Street, another argument had ment was, that at the meeting lately held in to be hunted up; and it fell to the lot of St Lawrence Hall, Toronto, during the Mr. Robinson to come out with one of the under what accurring the had received this amount that had been appointed before the removal of the Seat of Government, and that the authority was a vote of Parliament.

Mr. Boulton moved for a return of all many that have been or will be refunded assume that have been or will be refunded to the should give explanations as to read by nearly every farmer in Upper Canada papers, papers that are contended to the bound give explanations as to the most determined hortility. Mr. Brown the most determined hortility. Mr. Boulton's Bill to give mechanics a life on buildings was feed a second time and referred to a select committee.

Mr. Boulton's bill to prohibit truck paramets in Toronto and Hamilton was ordered to be read this day six months:

To day after the transaction of routine buildings, Mr. Cameron moved the second readings of the Agricultual Bill, the debate is going on as the Reporter leaves.

The Boulton's Bill to give mechanics a life on buildings was feed a second time and referred to a select committee.

Mr. Boulton's bill to prohibit truck parameter to on the subject of the encouragement of the most determined hortlity. Mr. Brown followed in the same strain. Oh, said he if both sides of the question were fairly indicated by the Governor in Councillors, and for the same that they obtained as of the was new theorems of Upper Canada, the before the farmers of Upper Canada, the result might have been different. That gentleman paid himself a very poor complement of the most determined hortlity. Mr. Brown her Majesty's gracious intention to honor the subject of the encouragement of the most determined hortlity. Mr. Brown her Majesty's gracious intention to honor the ball with her presence—arrangements the ball with the gracient of the countilets.

The day for the Agricu Yeas-Mesers. Boulton, Burnham, Camer of Toronto, and never was a speaker more side of the question was represented to the torch n

ime being the fore and main topsails close of the low abusive, and vulger language of the meeting in Torento, as an expression of the flarmers of Upper Canada againstine Bureau of Agriculture? It is disgraceful then, to libel the people of Toronto of the people of Toronto of the meeting in the poor passengers running about in all dispressions of the people of Toronto o know how to behave himself. We believe, and we think that we are sustained
in that belief by the state of the case, that
the Burean of Agriculture had nothing to
do with the noise at the Toronto meeting,
is after week, until,
in a very short time, all had disappeared
with the exception of S seamen and one
passenger, who had been able to lash themselves to the channels. In a few hours,
do with the noise at the Toronto meeting,
after the versel struck, the weather moder. but to prostporing, as, upon the point of order being taised Mr. Spocker dender corp. and of the corp. and the formatice. 29669 7673 19340 of the Burean of Agriculture had nothing to do the considered until the report of the Railway, Committee was p.inted in French English.

Mr. Cauchon moved, That the bill to extend the provisions of the Act for the letter searing the independence of the Assembly.

Mr. Cauchon moved, That the bill to extend the provisions of the Act for the letter searing the independence of the searching the independence of the salivas and a passenger and conveyed them to Wexford.

Mr. Brown moved an amondment that the Bill be read a second time.
