ST. JOHN'S MUNICIPAL COUNCIL

THE following Sections of the amended
Municipal Act, passed March 22nd,
1910, are published for the information
of those interested and the General
Public:—
31. From and after the passing of this Act
the construction of houses or buildings
of any sort shall not be commenced within
the city limits without the permission of the Council,
who shall have power to make and prescribe
terms and conditions to be observed and per-
formed by the owner of the land or the lessee in
respect of the payment by the said owner or
lessee of the whole or a portion of the cost of
the laying or introduction of the water or water
pipes, the opening or construction of sewers or
sewerage, or the making, opening, widening or
improvement of the road or street along or near
to which the said house or building is to be
constructed.

32. Whenever after the passing of this Act
the Council shall decide upon the open-
ing or construction of a main sewer along or
through a street abutting upon or in the vicinity
of land which is suitable for building purposes,
but upon which no buildings have been erected,
and if it shall appear that the said main sewer
about to be constructed is or will be available
for connection with buildings hereafter to be
erected upon said land so that the value of the
said land will be thereby improved, the Council
shall have power to levy and impose upon the
said land or any portion thereof, from time to
time, a tax or assessment at such a rate either
per foot or frontage upon the said road or street
or otherwise as the Council shall determine,
and to apply the money raised by and under the
said tax or assessment to or towards the cost of
the opening or construction of the said proposed
sewer or sewerage. The said tax or assessment
shall be a charge upon the said land or such
portion thereof as shall be defined by the Coun-
cil, as subject thereto, and shall be recovered
from the owner or lessee, as the case may be, in
the same manner as provided in and by the prin-
cipal Act in respect of the recovery of taxes, rates
and assessments.

33. Whenever it shall be found necessary
for the purpose of widening or improv-
ing any road or street for the Council to take
and appropriate private property and to pay com-
pensation therefor to be determined by arbitration
under the provisions of the principal Act, the
Arbitrators, in computing or assessing the
amount of such compensation, shall consider
and determine whether or not the said widening
or improvement has affected the value of the
land or property adjoining to the land so taken,
belonging to the same owner, and in case it shall
be found that such widening or improvement
has improved or increased the value of the said
adjoining land, the amount of compensation to be
awarded for the taking of the said land shall
be reduced or abated accordingly.

By order,
JOHN L. SLATTERY,
may19, 24, 26, 31; 30, 7, 9, 14. Sec'y-Treas.
