Crew Returned.

Capt. Herald and the wrecked crew of the Golden Hind, lost at Shag Rock, St. Mary's Bay, ten days ago, returned to town by train to-day via Placentia. Capt. Herald says the vessel was lost about 10 o'clock in the morning. A thick fog had set in so that they could not see twice the length of the ship ahead. Soundings taken a minute before the rocks were seen showed a safe depth of water. When the land was seen Capt. Herald tried to get her round, but she mis-stayed and went on the reef about 100 yards off the shore. A hole was stove in her and she soon filled.

Another man drunk and disorderly in his house was called to the bar. His wife appeared against him and showed that the man attacked her with a stove attachment and inflicted an ugly wound on the head in which Dr. McPherson had to put 3 stitches. The prisoner was asked to give 2 securities in \$30 each to keep the peace or go down for 2 months.

Watch for CAMEO KIRBY!

Dangerously Ill.

Mr. Lloyd Chaplin to-day had a wire from his father, Mr. John Chaplin, now at Montreal, saying that Dr. Darrow had operated on Dr. Chaplin to-day and that his case is very serious. The doctors at Victoria Hospital gave Mr. Chaplin no encouragement as to the outcome of his son's illness, and it is feared that there is little hope of the doctor's recovery. If possible Mr. Chaplin and the doctor will leave for here by the Rosalind Saturday. Mr. Chaplin promised to wire further particulars as to the doctor's condition tonight. The many friends of the doctor and his father in St. John's will be deeply pained to hear of the dangerous turn the doctor's illness has taken.

That Bell Island Affair

He also this forenoon gave the particulars of the case to Inspector General Sullivan who has instructed the officers on Bell Island to thoroughly investigate the matter and if possible bring those guilty of the outrage to justice.
