A RECORD!

Gold and Silver
Watches, &c.,
Found.

During the past week the EVENING TELEGRAM has made quite a record in finding and returning to the owners articles which had been lost and advertised in its columns:

Gold Watch,
Silver Watch and Fob,
Purse,
Senter Dog and
Hand Satchel.

In addition to the above quite a number of positions have been obtained by girls and boys. Remember that these results were obtained by the use of our columns, and it also goes to prove that the EVENING TELEGRAM is without doubt THE paper that is read by ALL the people, and must therefore be, as it is, the best advertising medium.

A 50 cent ad. in the "People's Paper," THE EVENING TELEGRAM, does the needful.

Americans
Selling Herring

Special to Evening Telegram.
CHANNIS, yesterday.
The first step in the reciprocity relations between the United States and this country has been taken. Gloucester fish buyers through their agents here are openly vending herring to local fishermen to be used as bait. Herring thus sold are portions of cargoes bought by citizens of the United States at Bay of Islands to be exported under the customary restrictions "solely for food purposes." Under the Morris Government rule the transaction is perfectly legitimate, an expression of opinion to this effect having been received by the Magistrate last evening upon a request for legal advice on this matter.

CORRESPONDENT.

The Bruce Sailed

The S. S. Bruce, Capt. Spracklin, sailed at 120 p.m. yesterday, for North Sydney, taking 50 passengers and a large mail. Thousands of citizens who were on their way home, stood on streets at different vantage points, to watch the ship cutting through a string of heavy slob ice that was in the harbor. She made the run to Cape Race in four hours and fifteen minutes, a distance of about 60 miles from the Narrows. Her arrival at North Sydney, where the harbor is frozen over with thick ice, will be looked forward to with interest.

MINARD'S LINIMENT CURES GARTER IN COWS.

Curlers' Smoker.

The First Curlers Smoker was one of the most successful ever held in St. John's, and the only pity it was declared, that we could not admit all the curlers friends. It was certainly an enjoyable evening and will be remembered by all present. The programme opened with:

(1.) A song from Mr. M. C. McCarthy, "Dorothy McGinnin" which was applauded so heartily that Mr. McCarthy had to give the second round.

(2.) Mr. F. W. Bradshaw next favored with a Violin Selection which was so enthusiastically received that even the famous third stone of W. H. Duder's team could not refuse, and he certainly drew the part.

(3.) Mr. Cornick was next called upon for a song which he did in royal god style. It was a rattling good song. He played the Outwick which was so heartily received that he had to lay a guard.

(4.) Mr. H. W. LeMessurier another "White (Division) man favored with a reading from Mark Twain's "Innocents Abroad." He did it well. He clipped the winner; he did it better.

(5.) Mr. Charles Hutton next favored with a song, which met with great applause. He has tried his hand at the "Cut Wick" and played it so well that he had to try the same shot again.

(6.) Mr. Thos. O'Neill next favored with a recitation and Tom did it well; he drew right on the Tee and won the belt.

(7.) The Green Division was next represented, when one of the oldest Curlers, Mr. Thos. Winter, favored the audience with one of the old songs. The Three Nationalities—English, Irish and Scotch.

(8.) Mr. R. H. Anderson next favored with "Rule Britannia." He is a keen and canny curler, and one got to get up early to beat him. He enjoyed a game and the audience enjoyed the chorus.

(9.) A very happy surprise presentation was the next on the programme, when Mr. C. R. Duder, the Hon. President of the Association, in a very happy speech, informed the curlers that the Young Curlers of 1911 had especially imported these stones to be presented to Mr. A. H. Salter, their Secretary, as a mark of appreciation. Mr. Duder remarked that Mr. Salter introduced them to the game and taught them the first points in the game. It was certainly a surprise presentation and in thanking the donors, which were not named, Mr. Salter remarked that it was only a pleasure to be able to show the beginners and thanked them sincerely for the handsome stones which are by far the first ever imported into the country, they bear the inscription "Presented to A. H. Salter, 1911." At the end of the Smoker many curlers went out and had a trial shot with the stones and declared them to be excellent.

(10.) A Duet by Messrs. Wm. Cornick and F. Crane, was rendered in good style, and they both made a score of 8 points.

The Chairman, Mr. F. C. Berteau, moved a vote of thanks to the Entertainment Committee, Messrs. H. W. LeMessurier, T. H. O'Neill and F. V. Chessman, and with the singing of "Auld Lang Syne" and God Save the King, brought a most successful evening to a close.—Com.

St. Vincent de Paul Society

The annual meeting of the St. Vincent de Paul Society was held in the hall, Harvey Road, Tuesday evening at 8 p.m. The Treasurer submitted his report which was adopted. The Society is in a position to meet all liabilities up to date, but its finances will not admit of the carrying out of the work of Charity in which it engaged until a collection is taken up. Collectors were appointed to the several wards. These will call on the patrons of the Society the coming week and it is hoped will meet with that generous response for which our citizens are famed. The President will, through the kindness of the press present the annual report to the public in a few days, the list of subscribers will also be published. After the other routine of business was gone through the officers vacated their seats, and Right Rev. Monsignor Roche, Spiritual Director, conducted the election of officers for the ensuing year: President, Councillor C. W. Ryan, V.P., Councillor J. T. Martin, A.V.P., W. F. Kieley, Secretary, M.M. Walsh and Treasurer, Inspector Wm. O'Brien.

Note From Mr. S. Woods

Editor Evening Telegram.
Dear Sir—In contradiction to what was published this morning, I would like to say that the accident which happened last night at the Prince's Rink during the progress of the hockey match was not as bad as at first appeared. The puck struck me, smashing the eye-glass and corrugating the frame work. The surrounding of the eye is bruised and slightly cut, but fortunately no glass entered the eye and the sight is not in the slightest degree impaired. I remain, Yours truly,

Last Night's Hockey Match.

Crescents Victorious and Will Likely be Champions.

The League Hockey match of last night between the Crescents and Victorias, was one of the best and most exciting games ever witnessed in the Prince's Rink and came as a surprise to the public. Throughout the season the Victorias were conquerors, being only defeated once by the Felidians and in their last game with the Crescents, beating that team. It was therefore unexpected last night that the Crescents should turn the tables and gain such decisive victory over a team which gave great promise of capturing the championship laurels. It now looks as if this coveted position will be the portion of the redoubtable Crescents. Long before the game started the rink was crowded and when the "disc" received the first blow of the puck, fully 3000 spectators lined the galleries or occupied other available points. It was undoubtedly the game of the season, excellent hockey being played all through. The teams lined up:

CRESCENTS—Thomas, goal; G. Herder, point; Marshall, cover; Stick, rover; R. Herder, centre; L. Stick, right; L. Woods, left.

VICTORIANS—Vinnicombe, goal; Parsons, point; Tobin, cover; Bulley, rover; McPherson, centre; Brien, right; Shortall, left.

At the face off the boys of both teams were quickly on the "disc" and the breath was taken from many of the spectators, so to speak, when after about a minute's play, R. Stick banged in No. 1 goal for the Crescents, amid uproarious applause. The play which followed was pretty even for a while good stick handling was noticeable after a time. Parsons and McPherson got the rubber down the ice but the latter lost a good chance to score, not being quick enough to catch when near the goal. Vinnicombe stopped a quick shot from Gus Herder, who had worked up near the Vics. goal and soon Brien was "sent to rest" for two minutes, for fouling Herder. Marshall, who played a rattling game, took the "disc" near his own goal and taking it up the rink, passed all obstacles, rushed in No. 2 goal for the Crescents, the net going down in the melee caused when Vinnicombe made a brave but ineffectual attempt to save. Marshall soon afterwards was penalized for fouling Shortall, when McPherson lashed at Crescents goal, but could not beat Thomas. Play now went fast and furious at midrink. Brien tried for goal but failed and getting the puck clear R. Herder was ruled off side. R. Stick next went to the "fence" for 2 minutes, for fouling, followed soon after by Marshall and Brien, when both sides put up steam and some clear and fast work resulted. Shortall lost a chance to score in taking a chance and hit up the first goal for the Victorias. Both teams now put up a gruelling pace and Stick for fouling McPherson, got three minutes to the "fence." McPherson while working a run collided with Gus Herder, who later received the usual penalty provided in such cases for fouling Tobin. McPherson now made a fine run, but received no backing and failed to score, when soon after the half closed—Crescents 2 goals, Victorias 1.

SECOND HALF.

The second half opened with both teams on their mettle and after a few minutes play the Crescents put on a terrific pace. Their opponents could not keep up with this and seemed to be "all in" before the half was ten minutes old. But for the good saving qualities of "Nix" in the goal, the defeat of the Vics. would have been a bad one. About 5 minutes before the half finished, R. Stick hit up No. 3 for the Crescents, and a couple of minutes after, on a pass from L. Stick, R. Herder sent in No. 4.

The goals and penalties came as follows:
1st Half—1. R. Stick (C) 1 min.; 2. Marshall (C) 7 mins.; 3. Bulley (V) 22 mins. 2nd Half—1. R. Stick (C) 29 mins.; 2. R. Herder (C) 29½ mins. Penalties: 1st Half—1. Brien (V) 2 mins.; 2. Marshall (C) 2 mins.; 3. R. Stick (C) 2 mins.; 4. Brien (V) 2 mins.; 5. Woods (C) 2 mins.; 6. L. Stick (C) 3 mins.; 7. G. Herder (C) 2 mins. 2nd Half—1. Tobin (V) 2 mins.; 2. L. Stick (C) 3 mins.; 3. G. Herder (C) 5 mins.

LEGISLATIVE COUNCIL.

After the Governor left, Hon. J. Harris read his commission as President, and also that of Hon. P. T. McGrath as member.

Words of regret for the retirement of Sir Edward Shea, of congratulation on the elevation of the new President, and of condolence on the death of the Hon. D. J. Greene were passed. In the case of the latter the following resolutions were passed:

"RESOLVED—That the Legislative Council heartily records its deep regret for the death of the late Hon. Daniel Joseph Greene, K.C., who has deprived the body of an amiable and experienced member, and whose ability was of such service to the Council.

"RESOLVED—That a copy of this resolution be sent to Mrs. Greene, expressing the sympathy of the Council with her and the relatives of the late brother member in the bereavement they have sustained."

After that the Hon. W. C. Job and the Hon. J. Angel moved and seconded the motion which usually follows the reading of the Governor's Speech.

Wedding Bells.

DUFFY-CORCORAN.

An unusually attractive wedding took place yesterday afternoon at the residence of Mr. M. A. Duffy, Le-Marchant Road, when his sister, Miss Margaret, was united in matrimony to Mr. A. J. Corcoran, the Rt. Rev. Mons. Roche performing the ceremony. The bride's dress was of white chiffon tulle trimmed with white satin and chiffon. She carried a bouquet of white carnations and asparagus fern. Her travelling costume was of cream serge trimmed with paisley and cream fringe, wearing a black beaver hat. The bridesmaids were Misses Kitty Duffy and Madge Crowell, cousins of the bride, they looking very pretty dressed in pale blue crepe de luxe. Mr. T. J. Corcoran, brother of the groom was best man. Mr. M. A. Duffy acted as father giver. At the reception, which was held immediately afterwards, the Rt. Rev. Mons. Roche in his usual graceful manner proposed the toast of the bride and groom, to which the latter responded. The reception being over, the wedding party wended their way to the train to spend their honeymoon with the genial Larry at Holyrood. At the station the groom received many congratulatory messages from Rev. M. P. Dwyer and the different officials of the Central Forest Co., of which the groom is a trusted employee. After the honeymoon the happy couple will leave for their future home at Norris's Arm, where a reception is awaiting them by the residents.

Was Looted and Burned.

There is now enough evidence to show that House's Hotel at Topsail which was burned a few weeks ago was looted before the incendiary put the torch to it. Not long after the fire a Bible perfectly intact was found in a recess at the rear of the dwelling and it is thought was left behind by the incendiary. There were 12 new beds and mattresses in the hotel and only one of these have been found in the ruins. There was cutlery and crockery sufficient for serving 100 guests and little of the remains of this was found.

Hr. Grace Not

Another fierce snow storm very high wind raged on Sunday night and all yesterday. Very people ventured out of doors or services in the difficult conditions were very poorly attended.

Another moving picture show is placed before the public here week. It will be under the management of Mr. P. J. Hutton. Oh Please U will also be in full during all the week.

Mistakes in calendars are few, but we know of one big mistake company whose calendar says are two 23rd days in February year and no 24th. A joker was unavoidable and that it was a hundred years since the last occurred before.

The play "Among the Bells" was placed on the boards on Sunday night. A crowded hall greeted performers at the rise of the curtain. The plot was well worked out reflects much credit on the company.

The C. C. C. are holding a concert in the Academy Hall tonight which a very laughable piece of acted, entitled "Dye know me it is said to be full of fun from to finish.

We regret to say that Mr. Pynn is still very weak and friends are very anxious about them. They had him removed to town week so as to be near the doctor to receive the constant care of many friends. We hope we will be in a position to say he is
