PROTEST BY EXTREMISTS.

LONDON, June 23.—Lord Balfour of Burleigh, Lord Cromer, Earl Halsbury, Viscount Middleton, and the Marquis of Salisbury, who represent the extreme anti-Home Rule party, have issued a manifesto deprecating any attempt to settle the Irish question by negotiations at a moment when a sanguinary rebellion has just been repressed, and when the concessions proposed will be regarded in Ireland as a premium on rebellion and a ground for further demands. The signatories' manifesto declare it to be their conviction that the proposed settlement is fraught with infinite danger to the State.

RUSSIANS MAKE FURTHER ADVANCE.

PETROGRAD, June 23.—The Russian forces which are cutting their way through Bukovina in the effort to capture the Austrian army there, have made further advance. The War Office, to-day, announced the capture of three villages west of Radautz, 30 miles south of Czernowitz, the occupation of which was reported yesterday. Eight hundred prisoners were taken. The villages near Radautz, captured by the Russians, are Gurahumora, Strazila and Sarace. The Russians also have taken Visniz near Kuty. This announcement shows that the Russians have traversed almost the entire length of Bukovina. The town of Gurahumora is ten miles from the Romanian border. Visniz is on the border between Galicia and Bukovina, 35 miles southwest of Czernowitz.

Urges all Kidney Sufferers to take

Gin Pills FOR THE KIDNEYS

Mr. Thos. G. O'Connor, Halifax, N.S., says:

"I am writing this for the public telling the remarkable cure I received from your great remedy Gin Pills. When I started taking them I was what you might call 'all in.' I could not bend for any length of time, nor could I lay on my side for a short time without becoming very tired. I had all the symptoms of Kidney Trouble and thought I would not be able to stay at work. With the aid of Gin Pills I entirely overcame my trouble and I am now feeling fine. I strongly urge any one suffering from their kidneys to take Gin Pills and they will soon feel as if they never had any trouble."

These Symptoms Mean Danger

If you have pains in the back, constant headaches, incontinence or suppression of urine, burning pain, puffiness under the eyes, suspect stone in the bladder, suffer from rheumatism, swelling of the wrists or ankles, if it is time you took Mr. O'Connor's advice—take Gin Pills. If your dealer does not handle Gin Pills, do not take a substitute, but send your order direct to us at the regular price—50c. a box, or 6 boxes for \$2.50. Money cheerfully refunded if Gin Pills do not carry out all our claims. A sample box free if you write to us, mentioning this paper.

Page and Ambassador Gerard at Berlin had done their utmost, they have been compelled to abandon all hope of success, but, said Lord Robert, I consider the German refusal outrageous. Proceeding, he said this action doesn't appear accidental, but is in warfare which they boldly publish, warfare, which they boldly publish. This matter is the result of calculated policy, just as their striking medals to commemorate the sinking of the Lusitania. There has been horrible suffering in Poland, but the German outcry in behalf of humanity is merely a design to get food for their own army.

MAKING A DASH FOR A PASS IN THE CARPATHIAN MOUNTAINS

LONDON, June 23.—To-night's Russian official confirms what had already been learned from Austrian admissions that the Russians are overrunning Bukovina, and are making a dash for a pass in the Carpathian mountains as they did 14 months ago, when they reached Kiriababa Pass, overlooking Austrian Transylvania. A report from Bucharest stated that the Russians had taken possession of two railways leading from Roumania to Bukovina. Information that the Germans and Austrians are bringing up reinforcements from the French and Italian fronts, is given in a communication from Petrograd. According to speculations in Paris the tornado of artillery fire on the Verdun sector and attacks in Champagne are supposed to be a mask to transfer troops from this front to the Russian front in view of the necessity of stemming the Russian advance towards Kovel.

GREEK KING'S MESSAGE TO THE EMPEROR.

GENEVA, June 23.—A special messenger, carrying an autograph letter from the King of Greece to the Emperor of Germany, has passed through Lugano, Switzerland. The messenger is accompanied by two Greek officers.

S. A. Social Worker Here.

Salvationists and many others in the city will be pleased to welcome Colonel Jacobs, the Men's Social Secretary for Canada and Newfoundland, who will reach the city about four o'clock this afternoon by the incoming express. Some twenty years ago the Colonel paid this country several visits, and will be remembered by many for the eloquent, impressive and instructive addresses delivered by him. He was for a long period Chief Secretary of the Men's Social Work in Great Britain, where he did splendid work in raising men from the lower strata of humanity to a higher level of citizenship, and hundreds to-day bear witness of the fruits of the Colonel's unselfish labor. He is the oldest Salvationist in Canada, having devoted 33 years of his life to the work of the Army.
