### Police Court.

A drunk was discharged.  
A man who, having been locked out of his boarding house, had to apply at the police station for a night's lodging, was dismissed.  
A well-known ladies' tailor was charged with selling a bottle of whiskey to a man from Cape Breton, for nine dollars. During the hearing of the case many passages of words occurred between the counsel for the defence and counsel for the prosecution. The two principal witnesses in the case told totally different stories, but the prosecution failed to prove that defendant had sold the whiskey and the case was therefore dismissed.

### Extending Lighting System.

A number of houses from Outer Cove were to-day engaged hauling poles from the railway station out along the road to Outer Cove. These poles will be used in connection with the extension of the electric light system from the Golf Links to Fr. O'Callaghan's Parish, where the church and school buildings will be connected.

## Fashion Plates.

A SIMPLE DRESS FOR WORK OR LEISURE.

Pattern 3094 cut in 7 Sizes: 34, 36, 38, 40, 42, 44 and 46 inches bust measure is here shown. For comfort, convenience and attraction, this model has much to recommend it. The lines are simple, and the garment may be made for service, or as a "porch" or "afternoon" dress. Foulard, taffeta, serge, gabardine, crepe de chine, voile or poplin would be nice for a "dressing" dress. Developed as a work dress it would look well in gingham, chambray, linen, lawn or percale.

Pattern 2366 is portrayed here. It is cut in 7 Sizes: 34, 36, 38, 40, 42, 44 and 46 inches bust measure. A 38 inch size will require 4 1/2 yards of 40 inch material. Braided serge or duvetyne would be attractive for this style, or satin, taffeta, tricotine, and velveteen. The dress measures about 1 1/2 yard at the foot.

A pattern of this illustration mailed to any address on receipt of 15 cents in silver or stamps.

NOTE:—Owing to the continual advance in price of paper, wages, etc., we are compelled to advance the price of patterns to 15c. each.
