### Wage Question Discussed.

MAYOR MORRIS ADDRESSES UNION.

The wage question and other matters affecting the labor situation were fully discussed at a meeting of the L. S. P. U. last night. Before the meeting, Mayor Morris, who was present, addressed the Union and in a logical manner placed both sides of the question before the men. With his close knowledge, through actual contact with the labor situation, the Mayor was well qualified for the task. He appealed to the men to refrain from rushing to any rash conclusions, for he was sure the employers would treat them fairly. At the conclusion a hearty vote of thanks was accorded Mayor Morris for his splendid address and the interest he has taken in the men's welfare. The business of the meeting was then proceeded with when the communications received from the Employers' Association were read and a discussion on the matter took place. The general feeling expressed was, that the proposed reduction did not correspond with the drop in the price of food-stuffs, but the men were willing to meet the Employers as far as possible, and as the reduced wage scale comes into effect on Monday, the Union's Executive Committee empowered to meet the Employers' Association, and if possible arrange a settlement. It is probable that this conference will take place this afternoon. Final action will be decided at a special meeting of the Union which has been called for to-night.

### Saints and C. E. I. Draw.

In an exciting football game the C. E. I. drew with the Saints on St. George's Field last evening. The C. E. I. did not have their regular lineup and had to play substitutes, amongst whom were included the veteran, Fred Harris, and Ern Churchill, official referee. Mr. Jas. Irvine controlled the game in his place. There was little or no combined play during the game but some excellent individual work was occasionally seen. No scoring was done in the first half, but in the second half Winsor and Sawyers each scored twice for their respective teams.

**CAR COLLIDES WITH WAGGON.**  
A motor car returning from Broad Cove collided with a waggon near Atwill's Bridge, Freshwater, last evening, and knocked it off the road. Both vehicles were slightly damaged but no injuries resulted to the occupants.
