in the weight events such as the hammer throw, shot put, etc., it has been
decided in view of the many entries
to have contestants make one throw
and the first six to take part in the
finals, the remainder being eliminated. At last night's meeting of the
Committee, it was decided that in
order to cater to the public, a special
entrance would be provided en Merrymeeting Road, opposite Spencer St.,
where all cars must enter and be
parked on the southside of the field
facing north. It was also decided that
in order to avoid any annoyance at
the gate those seeking entry must line
up in a queue, and avoid the congestion witnessed on other occasions.
His Excellency the Administrator and
Lady Horwood will be present and
will occupy seats on the platform esjetially arranged for the occasion.
