THE French Legislature should meet, according to the rule, on the 26th of October. Napoleon chooses to say that it shall not be convoked sooner than the 29th of November. There is a bare chance that the Emperor may have some fragment of a curiously twisted constitution in his favor; but M. Jules Ferry and M. Keratry think not. One of them has called a meeting of the Opposition to act against the postponement, and three of the most radical members of the Corps announce their intention to proceed to the hall of assembly on what they consider the legal date.

HURRIGANE IN MAINE. — Eastport, Maine was visited by a fearful hurricane last week. Vessels, wharves, stores and fish houses were smashed to atoms. Great quantities of fish and oil were destroyed. The steamer New York marrowly escaped loss with all on board. She was driven ashore, and loss both her sagchors and her rudier. Twenty, seven vessels are ashore in Runney's Bay. The schooner Rio was lost in St. Andrew's Bay with all on board. A barque at New River was lost with all on board, 17 in number. Grand Megaa was swept with all the wiers and smoke houses. The towns of Lubec, Pembpoke and Perry lose heavily, Houses, and begin sever blown down. This tornado is worse for Eastport than the great fire All the smoke-houses are down and the smoked horring and oil are lost. The loss cannot be less than \$500,000. A large part of the town is a perfect wreck.
