Guelph Evening Mercury

WEDNESDAY EVENING, SEPT. 10, 1873. Town and County News.

The County Council meet next Thursday at two p.m., to consider the advisability of submitting a by-law granting a bonus to the Credit Valley Railway.

CONGREGATIONAL. There will be a public meeting of the Western Congregational Association in the Congregational Church this evening, at 7.30. This body is holding its semi-annual meeting here, which is to close with the assembly just announced.

There is unusually little outside news of interest to-day, but what there is we have to omit in order to make room for the local intelligence which crowds upon the Royal Commission held another sitting at Ottawa, and Mr. Dakers, Judge Couriel, Sheriff Lebanc, and Mr. Beaudry were examined, but nothing of importance was elicited.

WANTED. A Good Stout Boy. Under this heading Grip has a severe satire on the prorogation this week. It represents Britannia as a comfortable looking matron, and Canada as her daughter.

The Excursion. Yesterday to Southampton and Port Rigo was a large one, consisting of two trains, one from Guelph, and one from Elora with ten cars. The trains were well filled. An exceedingly pleasant day was spent, and the Elora people got home all right, but owing to an unfortunate mishap to the engine of the Guelph train, very slow progress was made in returning and the unfortunate excursionists did not reach home until 6 or 6 o'clock this morning.

Town Council. SPECIAL MEETING. A special meeting was held on Tuesday evening to consider a memorial presented by the supporters of the Separate School, regarding the \$30,000 by-law.

The Horticultural Show.

One of the most pleasant amongst the indications of coming winter which force themselves upon us at this season is the annual fall show of our town and township Horticultural Society.

The great feature of the floral department was the cut flowers, which in number and fineness were far superior to anything before shown; notably the petunias, shown by Messrs. Hogg, J. Parkinson, L. Parkinson, and G. Elliott, which were exceedingly fine.

There is unusually little outside news of interest to-day, but what there is we have to omit in order to make room for the local intelligence which crowds upon the Royal Commission held another sitting at Ottawa, and Mr. Dakers, Judge Couriel, Sheriff Lebanc, and Mr. Beaudry were examined, but nothing of importance was elicited.

Ku Klux Klan. A Liberal Offer. To Europe in a Day!

Louisville, Ky., Sept. 9.—The Courier Journal, commenting on another letter from its correspondent in Ku Klux Counties of Kentucky, detailing still further outrages, offers if the Governor has not the means or power at his command to equip a company of men to proceed against the Ku Klux, and that the Courier Journal will pay all expenses necessary in organizing an efficient company for that purpose.

Washington, Sept. 9.—The enormous balloon which has been on exhibition since Saturday has been visited by thousands. Professor Wise denies the rumor that he refused to accompany the balloon in the proposed transatlantic voyage. If the weather will permit the balloon will be cut loose at six o'clock this evening; if a high wind prevails the car will be left behind and the life boat only will be used. If the balloon starts on time the aeronaut expects to land in Europe on the second morning.

County Temple, I. O. of G. T. On Tuesday morning a number of the members of the Independent Order of Good Templars in this County met in Ferguson in the drill shed, to hold a meeting of the County Temple. The weather was all that could be desired, but the excursion on the railway, and other causes, kept a large number away, who otherwise would have been present. The morning session was called to order by Bro. E. Farrow, of Elora, in the absence of the W. G. T., shortly after 11 o'clock. After the getting through some of the business of the railway, and other causes, kept a large number away, who otherwise would have been present. The morning session was called to order by Bro. E. Farrow, of Elora, in the absence of the W. G. T., shortly after 11 o'clock.

YORKSHIRE CATTLE FEEDER.—Messrs. Hugh Miller & Co. advertise their excellent feed in another column. It is spoken of as a first-class article, not only as a feeder but as a regulator of the system, and Messrs Miller have highly commendatory testimonials from such well-known men as Hon. George Brown, Simon Beattie, and William Long.

THE FARM VISITORS.—Mr. E. O'Donnell advertises in another column a large stock of fine seed at low prices which he has procured for the special benefit of visitors to the fair. It is mostly in five pound caddies, but the convenient size for our country friends.
