FACE COVERED WITH PIMPLES

Spread on Limbs. Red and Inflamed. Became Sores. Had to Tie Hands While He Slept. Well, Thanks to Cuticura Soap and Ointment.

St. Casaire, Quebec—"My child was scarcely two months and a half old when his face and arms became covered with little red pimples which a little later spread on his limbs. The pimples were very red and inflamed. They were like a little red spot which soon became a little larger and raised up. There were four or five together. These pimples caused him to scratch so that we had to tie his hands while he slept. The itching made him suffer so much that he cried part of the night, waking up most of the people in the house. The pimples became sores and were very painful.

"I used without success several remedies which were recommended to me. I then used Cuticura Ointment and Soap, giving him a bath every morning with hot water and Cuticura Soap, and then applied a thin layer of Cuticura Ointment on the parts affected. They gave great relief with the first application. After using one box of Cuticura Ointment and a little more than the case of Cuticura Soap my child was completely cured. Thanks to the Cuticura Soap and Ointment my baby is perfectly well, and I shall always have them at hand." (Signed, Mrs. N. John, Jan. 4, 1912.)

Cuticura Soap and Cuticura Ointment are sold throughout the world. A single set is often sufficient. Liberal sample of each mailed free, with 32-p. Skin Book. Address post card Potter Drug & Chem. Corp., Dept. 81D, Boston, U. S. A.

Boy Scouts Plan Another Outing

[Special to The Advertiser.]

Ingersoll, Sept. 3.—So pleasant was the expedition of the Boy Scouts to Thamesville over the week-end that it is probable a number of similar expeditions will be arranged before the advent of winter.

The trek wagon is a valuable acquisition to the assets of the Scouts, and by having it they will have no difficulty so long as the roads are good in transporting their supplies.

The boys have a fondness for camp life, and these little outings such as Commissioner Gibson has planned from time to time make the lads resourceful. They can pitch their tents in short order, and have the kettles over the fire and the dishes rattling in a manner that is sure to make one think earnestly of the good things that are always provided at meal time by the Scouts.

The Scouts have shown a very keen interest in their work this summer, and all look forward with pleasurable anticipation to outings that are planned from time to time.

HAVE DARK HAIR AND LOOK YOUNG

Nobody Can Tell When You Darken Gray, Faded Hair With Sage Tea.

Grandmother kept her hair beautifully darkened, glossy and abundant with a brew of Sage Tea and Sulphur. Whenever her hair fell out or took on that dull, faded or streaked appearance this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Hair Remedy," you will get a large bottle of this old-time recipe, ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, itchy scalp and falling hair.

A well-known downtown druggist says: "I have used Wyeth's Sage and Sulphur because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use. You simply dampen a sponge or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and abundant. For sale by W. T. Strong, London."

The three-sided, triple grates will wear three times as long as the ordinary range grates. This one feature is well worthy of your consideration—there are many other exclusive ones which you should investigate before purchasing your range.
