

THE TORONTO WORLD

A One-Cent Morning Newspaper. Fall of News from all quarters of the World. Accurate, Reliable, and Free of Bias.

On Monday the citizens of Toronto will discharge an important duty: elect a mayor and aldermen for the city.

As to the majority: we do not wish to inflict our opinions on the electors, but we may say that Mr. Withrow appears to us the best man.

THE STAGE AND LITERAL WEAPONS. The use of firearms in the sensational drama came near having another tragic illustration before a Rochester audience last evening.

CO-OPERATIVE STORE FAILURE. The failure of the New York dress co-operative association is not an argument against the system of co-operative stores.

ST. JAMES' WARD. To the Electors of St. James' Ward: GENTLEMEN: We are glad to be asked to record our votes in favor of Mr. W. B. Scarth as one of the representatives of our ward in the city council for the coming year.

STRONG ADVICE! Dominion Churchmen. We would ask Mr. Howland and his sympathizers to remember St. Paul's injunction. "Obey them that rule over you, as having to give an account."

QUEBEC JOURNALS are already crying Beware! in regard to the application to the federal parliament of the orange order for their incorporation.
