**KEEP LITTLE ONES WELL IN WINTER**  
Winter is a dangerous season for the little ones. The days are changeable—one bright, the next one cold and stormy that the mother is afraid to take the children out for the fresh air and exercise they need so much. In consequence they are often cooped up in overheated, badly ventilated rooms are soon seized with colds or gripe. What is needed to keep the little ones well is Baby's Own Tablets. They will regulate the stomach and bowels and drive out colds and by their use the baby will be able to get over the winter season in perfect safety. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

## The Needless Misery That Women Bear

WHEN the household cares and the worries of everyday life have dragged you down, made you unhappy, and there is nothing in life but headache, backache and worry, turn to the right prescription, one gotten up by Doctor Pierce over fifty years ago. Dr. Pierce of Buffalo, N. Y., long since found out what is naturally best for women's diseases. He learned it all thru treating thousands of cases. The result of his studies was a medicine called Dr. Pierce's Favorite Prescription. This medicine is made of vegetable growths that nature surely intended for backache, headache, weakening pains, and for many disorders common to women in all ages of life. Sold by druggists in tablet and liquid form. Send Dr. Pierce 10c. for trial package.

## Androck Corner

The contractors now have our office entrance completed. Mr. Wm. McCallum and Fred Fuller have joined the staff. We have added another style of Fly Swatter to our list of many manufactured items. Mr. E. W. Scott, our Eastern representative, is leaving this week for the Maritime Provinces. While cutting Fly Swatter blades a piece of broken wire struck Pearl Chapman in the eye causing a painful accident. Mr. J. P. Burnett, our Western representative, is leaving this week for the North-west to solicit orders for mid-winter delivery. Mr. Oscar Sager, of our machine shop staff, leaves the end of this month for the Old Country on an extended trip. We wish Oscar Bon Voyage. What might have been a serious blaze was extinguished Saturday afternoon when some Soap Savers after being tinned and dipped in benzine were placed to one side pending the next operation a spark from the welders fell into the box and ignited. Due to the presence of mind of some of the employees the blaze was soon smothered. Listen Folks,—Mark Jan. 19th in red on your calendar. That Annual Banquet and Entertainment which has been held back several weeks waiting for the new building to be completed is scheduled for next Wednesday night, and it looks like all previous celebrations would pale before this one. We don't know just what all the manager has up his sleeve but we have overheard him talking about a feature film and Cortese Harp Orchestra and best of all a bang-up dinner which the ladies of the Methodist church are going to serve in the new shop. The festivities will start at six o'clock and will continue until—well until everybody has had the best time they ever had.
