MRS. J. P. SIBLEY.

The Greatest Mattress in the World.

Ostermoor's
Patent
Elastic Felt
Mattress.

Numberless letters from persons and institutions, having used their "Ostermoor" Mattress continually for periods ranging from twenty to thirty-five years, prove that it needs nothing in the way of renewal for an ordinary lifetime. It can be renovated by the manufacturers who have their factory in Montreal, and at far less expense than a hair mattress, but unless the bedding gets soiled it never needs it. A cleanly turning and airing (as all mattresses should have) and a generous sunbath occasionally will keep it indefinitely as good as new.

Containing no animal matter, it is proof against vermin, being non-absorbent it is proof against dirt and water. Is resilient or elastic, it will never mat or pack, and while less than half the price of a good hair mattress, is worth a dozen of them, as hair possesses none of these great merits.

\$15.75 FOR THE FULL DOUBLE ONE, MADE IN 2 PARTS.

We sold six hundred of these mattresses in Montreal last year.

If you do any renovating this Spring, Madam, the "Ostermoor" is the mattress to get.

We will renovate your Hair Mattress for you.
