INDIAN PUDDING.—Scald three pints of new milk, when boiling hot, stir in fourteen tablespoonfuls of sifted Indian meal, add one cup of molasses, teaspoonful of salt, a little allspice, one pint of cold milk; stir well together, pour into a pudding dish, bake three or four hours in a steady oven.

A GROWING EVIL.—Scrofula, or king's evil, as an enlargement of the glands of the neck is termed, may be called a growing evil in more than one sense. Mrs. Henry Dobbs, of Berridale, was cured of enlarged glands of the neck and sore throat by the internal and external use of Hagyard's Yellow Oil.

SWISS CAKE.—One and a half cups of white sugar, two and a half cups of flour, one cup of sweet milk, four teaspoonfuls of melted butter, one teaspoonful of cream of tartar and half a teaspoonful of soda or two teaspoonfuls of baking powder may be used instead; two eggs, flavour with lemon and add a little salt.

LILY CAKE.—Three quarter cup of butter, two cups of granulated sugar, three and a half cups of flour, half a cup of cold water, whites of six eggs beaten to a stiff froth, two small teaspoonfuls of baking powder stirred in the flour. Use the same coffee cup for measuring all. Splendid cake for a tea party. Bake in a slow oven.

HIGH PRAISE.—Mrs. John Neelands, writing from the Methodist Parsonage, Adelaide, Ont., says: "I have used Hagyard's Pecorall Balsam in our family for years. For heavy colds, sore throats and distressing coughs no other medicine so soon relieves."

JELLY CAKE.—Three quarter cup of butter, two cups of sugar, four eggs, half cup of cold water, three and a half cups of flour, two small teaspoonfuls of baking powder, stirred in the flour, put batter quarter of an inch thick in pie pans, after they are baked lay them out to cool, then lay them on each other with jelly between each cake. Use a common coffee cup for your measure.

MOCK LEMON PIE.—Two teacups of sour cream or buttermilk, two-thirds cup of sugar, yolks of two eggs, one tablespoonful flour, a pinch of salt; beat well together, then add two teaspoonfuls of lemon extract. Line the pie tin with crust as for custard, pour in the mixture and bake until firm. While the pie is baking beat to a stiff froth the whites of two eggs, add two tablespoonfuls of white sugar, one-half teaspoonful lemon extract. When pie is baked spread frosting on top and slightly brown.

GINGERBREAD.—One cup of butter, two cups of sugar, well worked together; one cup of milk, three and two-third cups of flour, a tablespoonful of ginger, two eggs; use tin sheets, cool, and rubbed with butter; place one tablespoonful of mixture on tin and spread as thin as possible with a thin-bladed knife; bake in a well but not over-heated oven; cut on the tins into any shape desired; remove at once from tins, and it will very soon become crisp; keep in a dry place.

"MYSTERIOUS PEOPLE."

Celestial Children of the pig-tailed race! Scorned by us Easterns, who are yet obliged to face and bow before thy ingress! What do we owe thee? Nothing more or less than thy anti-Christian idea that gave to Caxton his Printing Press, who multiplied the Bible, that superstition killed and gave freedom to ourselves—and now to-day on Yonge Street loads with Books our groaning shelves. We owe this debt as well thy Hindoo brother for those fragrant, pungent leaves, that give light, health and pleasure to all who use the Li-Quor Teas. All grades from 50c. to 80c. a pound. A handsome volume, your own choice, from our catalogue, with every 3 pounds. GEO. MANN & Co., Sole Wholesale Agents, 295 Yonge St., Toronto.

CONSUMPTION,

which is Scrofulous Disease of the Lungs, is promptly and certainly arrested and cured by this God-given remedy, if taken before the last stages of the disease are reached. From its wonderful power over this terribly fatal disease, when first offering this now celebrated remedy to the public, Dr. PIERCE thought seriously of calling it his "Consumption Cure," but abandoned that name as too limited for a medicine which, from its wonderful combination of tonic, or strengthening, alterative, or blood-cleansing, anti-bilious, pectoral, and nutritive properties, is unequalled, not only as a remedy for consumption of the lungs, but for all
