1851 ASSESSMENT SYSTEM 1895.

**The Provincial Provident Institution of St. Thomas, Ont.,** furnishes sound Life Insurance at the lowest possible cost consistent with absolute security, and liberal contracts to good agents.

**The BEST**  
Though not the BIGGEST  
Life Assurance Company in Canada  
**Why?**

1. Because—1st. It has disbursed (in expenses and claims) the least, and laid by (to reserve and surplus) the most, per \$1,000 at risk, and also per dollar received in premiums, of any Company doing business in Canada. Therefore it gives the most value for the money.  
2. Its plan of arranging the assured in three classes—Abstinents, Non-abstinents, and Women—each class paying for its own losses, is the fairest known.  
3. Policy conditions unsurpassed for liberality.  
4. No catch-penny, humbug, so-called cheap insurance is used; therefore paying business is not weighed down with selling goods below cost, hence our profits are unsurpassed by any Company.  
5. Its lapse ratio is the lowest of any Canadian or American Company.
