MITCHELL.—It will be known to many of our readers that special services have been conducted for several weeks past at Mitchell, and that a deep impression has been made in the community. From 450 to 500 have, it is believed, been brought to a saving knowledge of the truth. The work appears to be extending and deepening in its influence, and has been felt throughout all the denominations. We have heard of several other places, in various parts of the country, where special services have been held with good results.

NEWTON AND NEW CASTLE.—We are in receipt of a communication from Rev. A. Cross, stating that he had made an appeal to his congregations in behalf of Mrs. Malcolm, wife of Rev. J. Malcolm, on receipt of a circular from Mr. Boyd, of London, and that the result was that, from Newton, he had received \$25 35, and from New Castle, \$25 25,—in all, \$50 60.
