## BRICKS AND THE BIBLE.

**S**UCH was the title of a lecture delivered in our Parlour, last Tuesday evening, by Rev. Prof. Burwash, of Coburg. The attendance was large and the interest good. We are under deep obligation to Prof. B. for his kindness in coming to Toronto to help us in our efforts to benefit young men.

## DISTRICT CONFERENCE.

**T**HE Conference of the Associations in Central Ontario assembled in our rooms on Thursday evening. As we purpose (D.V.) giving in our next issue a brief report of the Conference we shall content ourselves by saying that the Conference was of an extremely practical and profitable character.

## A WORD OF CHEER.

**T**HE following is taken from a letter recently received:—"I see by your BULLETIN you have a good staff of workers on the street I feel many a time I would like to be back with you, I always feel I could work more earnestly in Toronto than here. Someone always had a cheery and pleasant word for me. I shall always feel grateful towards you for your especial kindness to me in a strange country and in viting me into the Parlor. As a word of cheer to your workers, you can tell them that their impressions on a stranger's heart amongst them, will never be forgotten. I shall always remember the Toronto Association wherever I may be."

Wisdom is the principal thing; therefore get wisdom: and with all thy getting get understanding.—Prov. iv. 7.
