

Each Double Sheet of

TANGLEFOOT

is separately sealed with our Wax Border, which, while it permits the easy and ready separation of the sheets, absolutely prevents the sticky composition from running out over the edges.

The free margin around each sheet is always clean, and every sheet remains in perfect condition until used.

The New Tanglefoot Holder

is gotten up in attractive design and simplicity of arrangement, and will prove a greater favorite and a greater convenience than ever.

Every holder you can bring into use with your trade will increase your sales of Tanglefoot.

The new style of package will contain two Holders, each with five double sheets of Tanglefoot, making packages at once convenient for the dealer, and desirable for the user.
